# FARTS and PILES

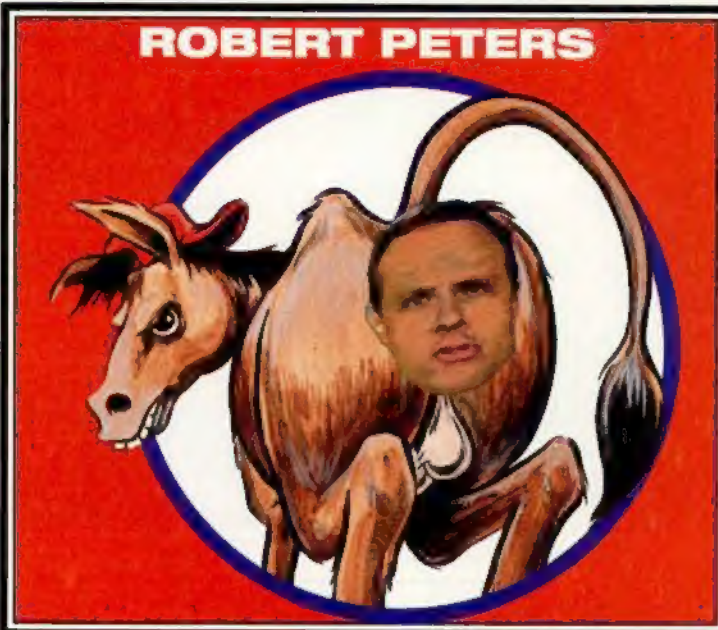

## ASSHOLE OF THE MONTH

Some faces you see once and never forget, no matter how hard you try. Robert Peters is as ugly as a recurring nightmare. He has the kind of mug that makes people ask, "Please, take off the hockey mask." Peters's damp, sour features are a nest of ticks and twitches. Robert Peters has the tormented expression of a child who expects to be given an electric shock every time he touches his genitals.

Peters's most disturbing facet is his mouth. His face hole is an oscillating oval with no upper lip. It looks like a deformed, deep pussy, with teeth. The sight of Robert Peters's mouth when it is moving is disgusting, but it is what this patently offensive orifice says that makes Robert Peters HUSTLER's Asshole of the Month for February 1998.

Robert Peters is the president of Morality in Media. Morality in Media is a pious political organization that believes the television shows *Ellen* and *NYPD Blue* are morally wrong. HUSTLER is not acceptable reading material for the members of Morality in Media. They think America's Magazine should be unacceptable for you as well.

Robert Peters's Morality in Media claim to be supporters of the First Amendment of the United States Constitution. The cornerstone of the Bill of Rights, the First Amendment guarantees freedom of expression. Peters's moralists paradoxically believe that hard-core pornography, defined by them as lewd display of the genitals and anything beyond, should be unavailable in the United States. Morality

in Media teaches that purveyors of sexually explicit materials are criminals who undermine American civilization. In Robert Peters's ideal society, possession for sale of a vibrating dildo would be illegal.

During the eight days of October 26 through November 2, you may have noticed a parade of pale, suspicious characters with white ribbons on their lapels in honor of Pornography Awareness Week. *Who are these child molesters?* you wondered. They were the minions of Robert Peters, following his directions in combating the "evil" of "incorrect" sexual expression.

It is more likely that you did not see any chanting crowds wearing white ribbons. These crowds were

largely confined to Mr. Peters's fevered imagination.

In Mr. Peters's fantasy world, a photographic representation of consenting adults having sex has the power to turn good men into rapists, to incite children to molest children, to promote sexual violence, to cause men to abandon their families in the throes of pornographic addiction.

No credible research supports Peters's interpretation of pornography's effects. In fact, all credible research refutes Peters. His view must be based on his own wretched reaction to erotic stimuli. Is Robert Peters a lost soul who cannot trust his own libido? If he can't look at a photo of pussy without wanting to sodomize a Boy Scout, then Robert

Peters is a dangerous man who should be watched closely. By no means should he be allowed near children.

The sufferings of Robert Peters can be easily imagined. All his life, Robert carried the scar of a mouth that looks like the botched genitals of an amateur sex change. As an unpopular child, Robert must have been called Cunt Face from kindergarten on. A tradition of the Catholic schoolyard is to gang up on the class's most obvious defective and dunk his head in a latrine as a mock baptism. It's easy to see how this repellent child would perversely revel in being abhorred. Such a scorned and loathsome youth grows up to become a lawyer, a professional moralist, a president of Morality in Media.

Pity poor, paranoid Robert Peters as he harangues on *Larry King Live*. In a vocal delivery that does not pause for use of breath or brain, Peters decries the "bigotry in mainstream media against religious people;" he begs homosexuals to "find someone else to be your whipping person."

This self-styled victim of religious persecution is dedicated to imposing his own repressed sexuality upon all of America—by mandated law. He has popped up like one of Richard Gere's discarded rodents on a crusade to crawl up the ass of sexually active America and dump his sick shit there.

Better men cannot help but feel sorry for a virulent, hair-lipped mutation. With a mouth like that, imagine just how pathetic Robert Peters's Asshole is.

**Al Gore:** Caught with his hand in the wrong cookie jar during a Congressional probe of campaign finances, Vice President Al Gore attempted to divert scrutiny by reviewing the sitcom *Ellen*. "When the character of Ellen came out," Gore cooed to an audience of television executives, "millions of Americans were forced to look at sexual orientation in a more open

### Farts in the Wind

light." To put the light back on Al, he's married to the woman who put censor stickers on record albums. The Gores are a couple joined at the Asshole.

**Trent Lott:** The Mississippi Republican and Senate majority leader has been a one-man blockade against allowing a vote for campaign reform in the

Senate. Is his reluctance caused by the fact that he'll be campaigning again soon? Lott's a shoo-in for the office of Asshole.

**The Hooters Seven:** What kind of asswipe dudes would go to court to force Hooters to hire male servers to infiltrate the army of big-boob waitresses that makes the place so great? Assholes.

## MOTHER TERESA STUFFS HOLY G-STRING FROM BEYOND THE GRAVE!

Tijuana, Mexico (BS)—Windy, a dancer and temp whore who performs at Chico's Burro Club and Snuff Film Emporium, experienced a miracle in her own backyard.

"I seen my hemorrhoids was getting worser," explains Windy. "That ain't good for tips. But customers kept saying they seen Jesus in my bung-hole. Now I take home \$10 or \$12 nightly, after Chico's cut."

Mother Teresa returned from the dead to bless Windy's colon with a holy-water enema.

"Elvis, Bigfoot and I were cruising for pussy when we stumbled across the sacred sphincters," Teresa recalls. She returned to her lap dance without further comment.

## FACE OF JESUS APPEARS ON STRIPPER'S HEMORRHOID!

*Faithful travel for miles  
to see miracle sore*

Parody. Not to be taken seriously. Religious words needs stripped and our reader's door and the model's hemorrhoid Jesus faces to appear on toolbar. Mother Teresa is still dead.

# ***Do You Have Marv Albert in the Can?***

Since assault and battery charges prompted NBC to fire Marv, the sportscaster and alleged cross-dresser has too much unstructured time on his horny, little hands. At first, Marv was rumored to be willing away the hours by hiding under Porta-a-Potties, awaiting an unsuspecting woman's dump on his diving mask. Now, threat-assessment experts warn, he may have traded the scuba gear for tasteful lingerie—and could be roaming the sewers in your neighborhood.

Know the signs that Marv is in your toilet. Your first stool's familiar *plop* may be followed by an enthusiastic cry of, "Yesss!" Rayon-weave toupee strands may back up the plumbing. Do not be alarmed. Marv will not attack unless he is provoked.

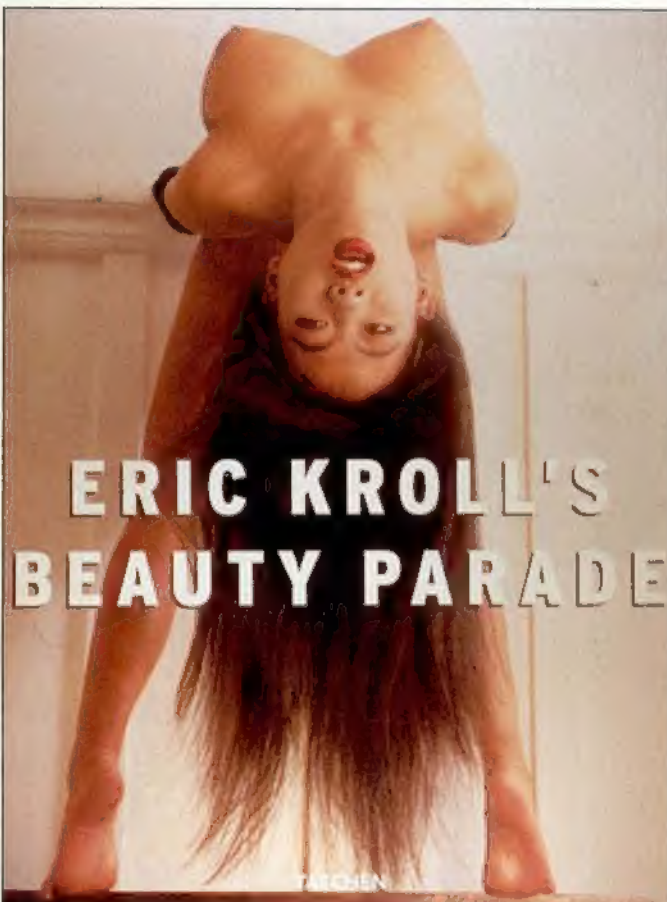

Simply go about your business, happy in the knowledge that your load soothes a broken man's achy heart.

## ***Marv won't let your shit go to waste.***

A Public Service Announcement From HUSTLER.

Parody. Not to be taken seriously. Humiliated sportscaster's head stripped onto our model's body. There's absolutely no proof that Marv hides under toilets, although who would be surprised?

## Kroll Lotta Love

When HUSTLER presents hot, naked, young girls contorted into bizarre positions, some call it smut. The arty pervers at Taschen Books, however, publish a collection of Eric Kroll's kinky photography, and the hardcover winds up in

museums. *Beauty Parade* documents big boobs, black boots and bondage, all captured by a shutterbug whose work has popped eyes and loads in the pages of many Larry Flynt publications. Kroll's volume of fetish fun is available at finer bookstores. Inquiries concerning limited-edition prints and videos can be faxed directly to Kroll at 415-931-3203 or E-mailed to [www.fetish-usa.com](http://www.fetish-usa.com).

# FEED BACK

## Damned if We Do

I firmly believe in freedom of speech; however, I think you crossed the line with your Mandingo spread (*Mandingo: Damned if He Do...*, December '97). I will not go into any detail, because I would like to believe your staff is intelligent enough to know that the pictures and the meaning behind them are ignorant and have no place in our society. I cannot believe that we continue to perpetuate racism. If you are going to involve your magazine with issues, tell the whole truth. Please cancel my subscription.

— Anonymous  
Via Internet

## Damned if We Don't

I find your racist attitude toward niggers highly entertaining. However, instead of depicting the nigger as the culprit (*Mandingo: Damned if He Do...*), you should have boiled that white-trash, nigger-fuckin' whore instead.

— S. J.  
Jacksonville, Florida

*Sometimes the purpose of a HUSTLER spread such as Mandingo is neither to offend people like our anonymous ex-subscriber or to entertain the likes of you, S. J. In this case, our motivation was accurate replication of a chapter of American history that is consistently swept under the rug in the interest of political correctness. Had we, as you so boldly suggested, "boiled that white-trash, nigger-fuckin' whore," we would be deceiving our scholarly readership by not telling "the whole truth."*

## Foreign Affairs

I'm from Austria, and the November '97 issue is my first American HUSTLER, and it's great, even if it's fuckin' expensive (one issue costs \$15 U.S.). I'd like to thank you for your great photos and stuff, and I'd like to see more of *Beaver Hunt*, which is really a fantastic idea. So, keep showing the real pink, and thanks for being such a great magazine.

— M. M.  
Austria

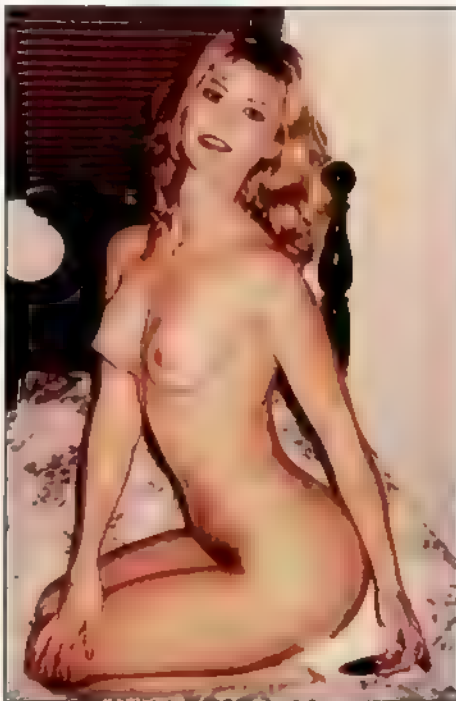

When ordering merchandise through a mail order supplier, minimize your risk of being disappointed by dealing only with mail order merchants who accept credit card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably a lie.

## Countertitling

While I no longer buy HUSTLER, except for the annual BEAVER HUNT, I do like your magazine called BARELY LEGAL. Why? Because unlike most of the current men's magazines, I have a decent chance of seeing natural-breasted women. I can't remember the last time I saw a centerfold, be it in HUSTLER,

Playboy, etc., where the woman didn't have plastic tits. I find them a total turn-off! Porn flicks are even worse—I no longer buy nor watch the new releases. With BARELY LEGAL, I have observed only a few women who may have implants. At any rate, it's a good magazine.

— C. L.  
Boston, Massachusetts

*Beaver Hunt Finalist Melinda*

*Thanks for the kind words regarding HUSTLER'S BARELY LEGAL. While it's likely you may have stumbled on a few phony teats in past issues of HUSTLER, you may recall a few years back when nude models were plagued by a much worse condition: small teats or no teats at all. Fortunately, modern technology is slowly perfecting its solution to this epidemic. We just ask that you be patient, C. L.*

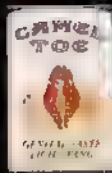

## Beaver Blunder

As honored as I was to be a Beaver Hunt Finalist (*Melinda: Four on the Floor*, Holiday '97), the woman in the Polaroid on page 44 isn't me. I hope your mistake doesn't affect my chances of winning the \$5,000 Grand Prize.

— Melinda  
Dayton, Ohio

# FEEDBACK

*in your spread was fellow December Beaver Misty from San Bernardino, California. Our blunder won't affect your chances of winning the \$5,000 Grand Prize, although it could very well force some changes to next issue's masthead.*

## Jenna Jameson: Asshole

I was the one who wrote the letter about Jenna Jameson to be "Asshole of the Month" ("No Dick, No Ball, All Asshole," *Feedback*, September '97). I still say she is a stuck-up bitch. Perhaps ask Brad Armstrong who, according to *Adult Video News*, is separating from Jenna now because he can't stand her anymore. It only proves that she is only in it for herself. What is there that is so fine about her? She has fake, silicone breasts, sticks lollipops in her crotch—if I wanted a tuna-flavored blowpop, I would have bought one. Not to mention her movie *Conquest* was boring as hell. I took my copy back and got a refund. But, like I said before, if you want her, you can have her. Just remember, she is a big responsibility—the walking, bathing and feeding. And has she had her shots?

—A. J.

Reston, Virginia

## Inga Binga

Wow! Inga (*Inga: Jewel of Denial*, December '97) has it all. There's nothing better than a gorgeous woman with long, beautiful legs, great curves and large, soft, real tits. And to top it off, Inga has the kind of pussy lips a guy like me could wrap his tongue and lips around. I could eat that pussy for a week. You guys really outdid yourselves this time. I think we need an encore!

—B. T.

Harbor City, California

## More Inga

I got my December HUSTLER over three days ago and haven't got a wink of sleep since. I don't know what's come over me lately. It all started when I saw *Inga: Jewel of Denial*. She was drop-dead gorgeous. I couldn't stop thinking about her. What do I have to do to get a date with her?

—J. W.

Detroit, Michigan

## Linda's Best Friend

I read in your December installment of *Feedback* that you were going to publish pics of Linda Lovelace having sex with her dog. I can't wait for this issue. I have always been intrigued by bestiality. If

these Lovelace pictures get good coverage, you might consider doing an entire pictorial with a beautiful lady or two having sex with a pet. Maybe you could do a special edition with the entire mag called "Women and Their Pets." Nothing but ladies with animals. Also, where can I buy cheap animal videos? The only ones I see are at least \$50.

—R. D.

Weslaco, Texas

## More Linda

I love your magazine and read it every month. In the Holiday 1997 issue, you had an article under "HUSTLER's True Fucks" (*Bits & Pieces*) about Linda Lovelace. I was a big fan of hers in the late '70s and early '80s. I have never seen *Dog Fucker*. Could you tell me the year it was made and if it is still on video? I would love to see it and maybe add it to my collection. What would I need to order this tape?

—R. R.

Jackson, Tennessee

*Just because Linda Lovelace's full-lip-stick foray with a cooperative whippet was a "True Fuck" doesn't mean it was a readily accessible fuck. Bestiality videos seem to be illegal in this country. If you were to get your hairy palms on Dog Fucker, you might end*

*up throwing beads to it behind bars. In the interest of good taste and clean living, the editorial staff of HUSTLER does not wish to educate its readers on the acquisition of the movie Dog Fucker or similar filth. Period. Incidentally, you may want to save your money for next month's Dog Johnson Canine Sex-Toy Catalog. It has everything you need to put the style back in your doggy, including strap-ons for all breeds and a chew-toy pussy modeled after Lovelace's hound-hungry hole.*

## Honorable Discharge

We are currently on deployment in the former Republic of Yugoslavia, Macedonia, supporting the United Nations peacekeeping mission. We really enjoy your magazine, especially the centerfolds and beaver-shots, but, alas, our ten-man squad hasn't seen or tasted any pussy for the past four and a half months. It has gotten to the point where our dicks get hard every time the wind blows. We are all admirers of your fabulous magazine and Larry Flynt himself, whom we admire for standing up to the U.S. government. Thank you very much!

JEANNA FINE TELLS THE  
FUCKING TRUTH

*This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.*

## PUDDLES O' LOVE

My pussy won't stop dripping. This is not some kind of discharge; I'm just literally coming all day. It's gotten to the point where I can't wear shorts or skirts or even white pants because I have to constantly wipe the inside of my thighs or clean the seat that I'm sitting on. I hate wearing panties; so that makes it even worse. It's embarrassing to be in the checkout line and be afraid there's a small puddle on the floor beneath you. Have you ever heard of this? —C. H.

Daytona, Florida

*I've never heard of such gushing delight, but I'll assume you've been to your gynecologist. If I'm correct in my assumption, and all systems are go, then whether or not you like to, break down and wear underwear. Thick panties could be in your best interest if you want to stop the snail trails—or in your case, puddles of joy.*

## TRICK OR TREAT

I recently discovered my 35-year-old girlfriend belongs to an escort service and pulls five or six tricks a week for extra money at \$100 a trick. It actually turns me on. Is this odd? —B.

Oklahoma City, Oklahoma

*Whoa! One hundred dollars a trick is way below the going rate. She needs to adjust her price scale and give herself a little more credit, as well as more cash flow. Nothing less than \$300 is realistic. As far as turning you on: No, I don't think that there's anything wrong with you. That's a normal reaction for the*

*most part. If your woman is selling her pussy out of financial need, make sure her self-esteem is well fed and that she feels good about taking dollars for sex. I know my husband is very understanding with my feelings regarding my work in porn films. He understands if I come home too tired to fuck, and I understand that if I can act at work, then I can act at home too.*

## STRAP-ON FUN

I had an older girlfriend at one time who was very kinky. She had a role-reversal fantasy she wanted to fulfill; so I let her strap on a dildo and fuck me in the ass. I wasn't into it at first, but believe it or not, I liked it! I never came so hard in my life! Now I'm married, and my wife has done it to me a couple of times, but refuses to do it again. I still get the urge for a stiff prong up my ass once in a while. What should I do? —Anonymous

North Metro, Georgia

*I'm fond of saying that a man's clit is in his ass, and you're one of few males who has made this introspective discovery. Any man that I have given a blowjob*

*to—and that's more than a few—has always submitted to digital exploration in the end, no pun intended. You need to discuss with your wife why she refuses to cornhole you again. If she feels uncomfortable wearing a dick, or she's afraid she married a gay man, get to the bottom of it and discuss with her why she won't do strap-on. If she's not open to that communication, then I don't predict any happy endings.*

## SOYBEAN SUGGESTIONS

I've been hearing a lot of talk about soybean breast implants. Have you ever touched soybean breasts before? Do they feel real? Are they worth the extra money?

—C. C.

Redding, California

*I haven't had the chance to fondle soybean implants, but they seem like a logical choice for anyone concerned about the possible dangers of silicone. Incidentally, the journal of the AMA recently released a report stating that a lot of the negative hype about silicone implants is overrated. In any case, talk to*

## THREE'S COMPANY

My girlfriend and I want to try a three-some, but of course she wants a guy, and I want another girl. I keep telling her that two girls are better, but she doesn't believe me. Could you please set her straight?

—F. C.

Bakersfield, California

*Your girlfriend sounds like she's already figured out that two dicks are better than one. While you might not share the same sentiments, keep in mind that you're asking her to take a big step in her sexuality, a step that is easier if she is allowed to play by her rules. After you grant her that, she's bound to compromise next time. Another thing to consider is that fantasy is sometimes best left as fantasy. If you do bring a friend to bed with you, keep in mind that the object of your desire should be your woman. Be sure to compliment her on how good she looks with a cock in her mouth or a pussy in her face.*

## VIRGIN EXCURSION

I'm 19 years old and still a virgin. Normally this wouldn't bother me, but I've started college, and I'm seeing beautiful women left and right. It's so hard to get a date, much less sex. I'm considering saving my money and going to a Nevada cathouse just to get it over with. What do you think? Should I wait until I find the right girl, or should I go try my luck with a complete stranger?

—D. R.

Weslaco, Texas

*Either idea is fine. If all these sexual thoughts are interfering with your academic studies, then paying someone to pop your cherry isn't such a bad bargain. It wouldn't be the first time a professional initiated a novice. Hookers can be very loving and educational; the experience may give you the self-confidence to go out and do the wild thing with the real thing.*

## A FRIEND IN NEED

I'm in love with my best friend. She and I have known each other since we were 11 years old. She just broke up with her boyfriend, and I really want to make a move on her, but at the same time, I want her to be able to count on me when she needs a friend. I don't know what to do.

—J. C.

Chicago, Illinois

*I know many friendships that have moved into the sexual arena only to wind up in ruins. Talking to her about moving your relationship to the bedroom and seeing how she responds is probably your safest bet. If she doesn't have sex in her mind when she thinks of you, then you have a friend for life. Otherwise, you might work yourself into some pussy while working your way out of a friendship.*

## BEDTIME BOOZING

Every time I get really drunk, I can't come. Last weekend I gave my wife five orgasms, and I still didn't blow my rocks. Now she's always trying to get me ripped before we go to bed. Don't you think this is a little selfish on her part?

—B. C.

Fairfield, Illinois

*Yes, your wife is being a bit selfish, but I'm tickled to hear that at least one woman is exploring what it's like to be a pig, for a change. It's very normal for a guy to not be able to come when he's drunk, but that doesn't mean it's healthy to be hitting the bottle every night just for her benefit. Maybe split a magnum of champagne and hope it keeps you from popping your cork too soon.*

## KISS AND TELL?

My girlfriend always asks me to kiss her right after I jizz in her mouth! Then she gets all bummed out when I don't. What's her problem? If I wanted to taste semen, I'd be a faggot. Why is she tripping?

—D. C.

Trenton, New Jersey

*First of all, the fact that you won't kiss your own girlfriend when she has your splooge in her mouth is not her problem, it's your problem. There is nothing sexier than a man who kisses me after blowing his wad in my mouth. "If I wanted to taste semen, I'd be a faggot," is one of the most misinformed, narrow-minded statements I've ever heard. You're a jerk! When you eat her pussy, do you expect her to not kiss you? Does it make her a lesbian if she does taste her own juices? If you were a real man, tasting your own cum wouldn't bother you as much as it does.*

# FEEDBACK

(continued from page 13)

## Dead Bro Unbrotherly

I was highly offended when I turned to page 7 of your August '97 edition and saw the picture of Notorious B.I.G. on the bottom of your "Dead Bro Records" parody (*Bits & Pieces*). How dare you take a naked picture of Oprah Winfrey and superimpose a gorilla's head on it? Sometimes I have the misfortune of catching her show when I channel surf, and seeing her clothed is bad enough, let alone seeing what her big, black dick looks like. In the future, if you intend to use naked pictures of Oprah (or any picture of her), at least warn us the previous edition.

—G J.  
Victoria, Australia

*Superimpose? Gorilla's head? Oprah Winfrey naked? Perhaps all that nasty vegemite has given you a yeast infection in your gulliver. Ready to Decompose is a big hit in the States. What the hell's an Oprah?*

## Roast-Beef Beef

I am a 22-year-old bisexual female, and I read your magazine all the time. I laugh so hard reading all the comics and jokes, but as far as the women—they're all beautiful, don't get me wrong—they all have way too much *roast beef*. My husband and I laugh at the amount of roast beef there is. You could supply a New York deli in one issue. I know I'm not attracted to hanging, beefy-looking pussy lips. I wonder if men are? My husband isn't. What's the deal? I like my women tight and neat. Meatiness goes beyond the pubic hairs, people. That's my only gripe. Sorry if I sound like a bitch.

—S. M.  
Ft. Drum, New York

*S. M., you have a legitimate complaint. If expressing distaste for friction-worn lips makes you a bitch, then you're a bitch with a sharp eye for detail. In many cases, however, the gallimaufry of worn flesh between the legs of some women is roast beef, oddly enough. We share your hope that this hideous fad will one day become taboo, like any other form of red meat.*

## Dick Butler Sucks

This letter is pretty late, mostly because I'm in the Army and have been in Bosnia for the past six months. I'm an African American who believes in freedom of speech and of religion. So when

I read your article on "pastor" Dick Butler and his "church" (*Heil Hitler, America! Neo-Nazi Christians and Their Quest for an Aryan Nation*, March '97), it pissed me off royally. For one thing, the reason why we have troops here in Bosnia is because of stupid shit just like this "church." I've been shot at, spit on, seen friends get their asses kicked by angry mobs of Bosnian Serbians, and I've been in places that most people wouldn't shit on themselves in. And then you've got this group of assholes who call themselves the "master race" that say they've killed

nonwhite people and teach their kids to say *shibbia*? I challenge them to grab their puny baby nuts and bring their asses over here to Bosnia. They wouldn't stand a chance.

# HOT LETTERS

## HEART-ON

In fifth grade, I was suspended for sending Angie Terkhola a Valentine inscribed with the message, "I can smell your sweet poontang all the way in the back row." I thought she'd be charmed; instead, she mailed a copy to my father, who whipped the holy shit out of me with an electrical extension cord. Dad simply wouldn't believe that Angie was a wanton little slut who flaunted it all over the playground.

The traumatic event triggered some kind of recurring pattern in my behavior. Each Valentine's Day, I find myself in deeper trouble. Last year may have been the worst. I cornered a female co-worker and told her, "There's a secret admirer in this elevator who would like to meet you." She smiled at my comment; so I whipped out my dong. Imagine my dismay when she filed a sexual-harassment suit! I still maintain my innocence; after all, I was talking about my cock. It's not my fault if the dumb bitch was too dense to understand!

Well, the calendar has rolled around to February 14 once again. I vowed not to do anything stupid at my new convenience-store job. That hasn't been an easy promise to keep with a teasing tart like Vanessa strutting her stuff around the Slushee machine.

Vanessa's a thin blonde, about 5-9 in stature, with a tight bod and a booming butt. Goddamn, you should see this monstrous rump busting from her short-shorts! Her skin is lily-white and creamy;

her golden hair falls in a perky bob over wide eyes and chipmunk cheeks. If those peepers didn't burn with such smoldering fuck lust, you'd swear Vanessa was the sweetest little schoolgirl to ever deep-throat a beef jerky in the convenience store's parking lot. Any remnants of innocence are shattered by the twin poke of stiff nipples under her baby T-shirt—emblazoned with the logo, PORN STAR. Did I mention the spew-worthy tummy that peeks above her oversized belts, seemingly begging to be coated with a sample of my testicular brew? Oh, Vanessa, I could sing your praises for hours if I didn't have to pause for a masturbation break every five minutes!

Tragically, the object of my ejaculatory desires has never set foot inside the store without her moronic boyfriend. Imagine one of those mentally deficient Baldwin brothers after a frontal lobotomy.

That's Russell, the thuggish greaser who skulks around the comic-book rack as I check out the rack on Vanessa.

When Vanessa wafted past the counter tonight, I caught a whiff of her 100-proof breath. Apparently, she and Russell celebrated Valentine's Day the way they spend most evenings: over a few lightly chilled, 40-ounce bottles of malt liquor. That's fine by me; the more intoxicated Vanessa gets, the more opportunities she allows me to see down her shirt.

"Hey, Dopey," she slurred, winking in my direction. Just hearing her call me by that stupid nickname gives me a raging boner. I hoped the growth spurt wouldn't show in my green and orange polyester pants.

Any attempt to hide my arousal became pointless with Vanessa's next

### Lotus

THREE-QUARTERS  
ERECT

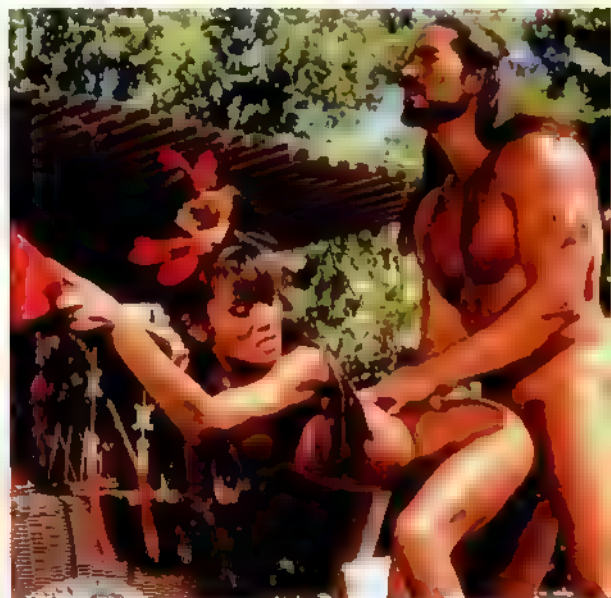

Directed by Ralph Parfait,  
starring Kobe Tai, Suzi Suzuki, Monique DeMoan,  
Stephanie Swift, Chloe, T. T. Boy, Jon Dough,  
Colt Steele and Mark Davis  
Videocassette: Vivid Video

The most striking image in *Lotus* occurs during Kobe Tai's outdoor coupling when the fuckhead pumping her grabs her slender waist and nearly wraps his mitts entirely around her tummy. Tai is amply endowed with swollen-gum-drop chest squeezies and teardrop ass cheeks hard enough to bust the toughest of nuts. It's startling to realize just how tiny she is. Questions inevitably follow. How does she deep-throat such big putzes in her button-size mouth? If all Asians look alike, why don't more of them look like Kobe Tai? Despite cheesy Chinese-takeout period costumes, all boffings are blistering. Suzi Suzuki delivers a classic choad exploder while squinting with a fat, blind-eyed eel squirming down to her tonsils and another simultaneously diving into her poo-poo palace. The hootchie narrating *Lotus* promises "101 sexual positions" will be shown. Maybe she flunked math at Trailer Park High. Only the usual half dozen or so are counted, but *Lotus* succeeds in creating the one position that counts most: the viewer's fist clenched tight on his spouting chud.

—Mack Assarian

LOTUS: Dough balls Tai; Swift takes licks.

LOTUS: Tai shimmies onto Steele's pole

LOTUS: DeMoan inserts snoot into Swift's socket.

## Jasmin St. Claire Shoots Flames From Her Ass in Upcoming XXX

Who hasn't at one time or another taken match to asshole and sparked a fart into a flame in order to impress a special lady friend?

In the world of adult entertainment, international pooper star Jasmin St. Claire has now taken anal pyrotechnics to a breathtaking new level. This past fall, under the professional supervision of Randall "Master Magician" Richman, St. Claire piped highly flammable butane gas into her lower colon and sprayed out two-foot-long flames as a stunt for her upcoming John T. Bone feature, *Blow It Out Your Ass!*

Lying naked and prostrate on the set of Cream Productions North Hollywood, California, soundstage, St. Claire, veteran of *World's Biggest Gang-Bang 2*, nervously joked with spectators and crew as the PVC tubes were squeezed into her sphincters by the master magician Randall:

"I'm not scared," St. Claire quipped,

as flame-retardant goo was smeared into her bronze-complexioned gluteus maximus. "You take more of a risk pumping your own gas in downtown L.A. after dark. I mean, what's the worst that could happen?"

"Your butt could explode, and you'd be shitting in a colostomy bag for the rest of your life," suggested one spectator, just out of earshot from St. Claire.

The initial test firing of St. Claire's bung hole went without a hitch. With growing confidence, St. Claire pumped more butane into her colon and managed to poop flames of such intensity that crew members lit cigars and roasted marshmallows in the convivial glow of her flaming asshole.

Do not try this or any similar stunt at home, as it could result in grievous bodily injury or death.

In stores in January 1998, *Blow It Out Your Ass!* will feature complete coverage of St. Claire's crap-chute conflagrations.

*Toasting marshmallows in the glow of St. Claire's rump roast.*

## Butt Slammers #15: Unrelenting Anal Lust

THREE-QUARTERS ERECT

Directed by Bruce Seven; starring Roxanne Hall, Caressa Savage, Carolina, Sindee Cox, Julie Rage, Davia Ardell, Nikki Sinn, Kaitlyn Ashley, Ariana, Charlie, Chloe, Randy Rage and Johnny Black. Videocassette: Bruce Seven Productions.

*Butt Slammers #15* is a high-volume, all-girl lube fest that features frenzied dykes who dare to ask the question, "Will this fit in my asshole?" While the first 30 minutes leave the viewer struggling to stay awake, the patient palm fucker is rewarded in the second half when Charlie, Chloe and Ariana gather together to celebrate Randy Rage's birthday. Instead of more hideous plastic surgery, Rage's gift this year is a small vibrator which quickly finds its way up her playful pooper. Her trip through the spanking machine leaves her lovely cheeks a brick-red hue and her colon swollen to capacity. The fun continues when Charlie's ass and trench simultaneously host what appear to be an inflatable surgical tube and a giant rubber sea slug. Her body contorts in a well-feigned marriage of ecstasy and intense pain. Despite a few dull moments, jaw-dropping anal penetrations make *Butt Slammers #15* a must-have for ass aficionados and perverts of all stripes.

—Steve Slauson

## Sex Files 1

HALF ERECT

Directed by Tim Lake; starring Anita Dark, Anita Blonde, Sandy Beach, Melissa Monet, Amanda, Sheena, Mia, Tim Lake, Frank Gunn and Johnny Euro. Videocassette: Xplor Media.

*Sex Files* is a hodgepodge of unrelated hump scenes that begins with a sweaty man in a tuxedo sucking on vinyl boots attached to the feet of jumbo-mammed porn trollop Sheena. Decked out like an S&M diva in leather straps and chains, Sheena descends on the well-dressed boot licker's cock and grinds it from the female-superior position. Ready to pop, boot-licker man wiggles free from Sheena's fur gap, clutches her by

the ankles and finds testicular relief in a lumpy eruption across her toes. Subsequent scenarios of more conventional sleaze feature the sleek-assed, hard-wiggling, devil-girl duo Anita Blonde and Anita Dark. *Bitch* is an overused term in the world of adult entertainment, but the sullen expressions of East European loathing etched permanently on the mugs of Blonde and Dark suggest these bitches are real bitches. The bitches are appropriately dealt with by two Neanderthals who grab them from behind, shove their faces into a couch and fuck the shit out of them. Tune into *Sex Files* for a raw and filthy entertainment.

—M.A.

## Fountains of Innocence

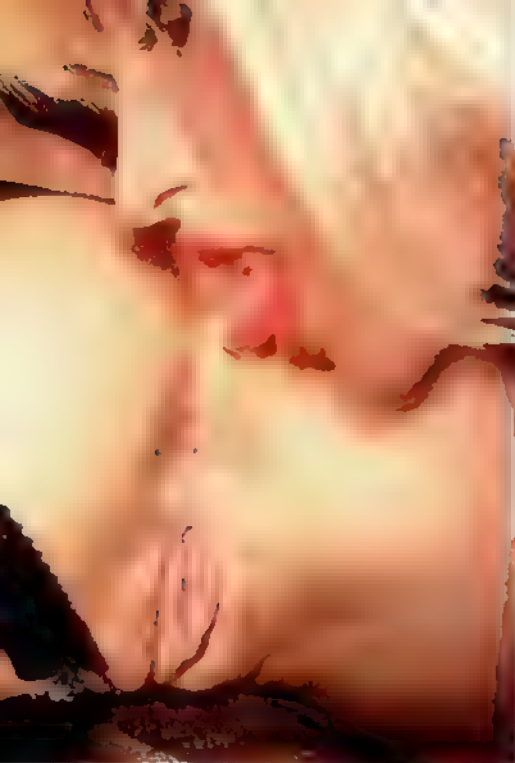

THREE-QUARTERS ERECT

Directed by Veronica Hart, starring Taren Steele, Juli Ashton, Shayla La Veaux, Supremacy, Nina Hartley, Toni James, Ron Jeremy, Tom Byron, Vince Vouyer, Steve Drake, Billy Glide, Sean Rider and Jeremy Steele. Videocassette: VCA.

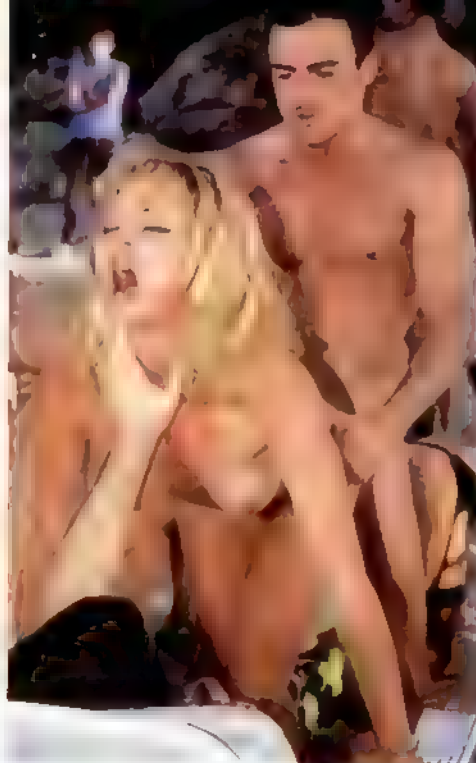

*Fountains of Innocence* does an effective job of keeping one foot in the good pages of a Harlequin romance and the other in the middle of bare-knuckles knuckle-fucker fodder. We see Ron Jeremy's blank-eyed carcass barking orders at toga-clad fuck bunnies while Taren Steele fondles herself at Jeremy's side. Steele transforms into a backstage voyeur and eventually learns how to be a good pornstress while hanging out on the set of what is apparently a Ron Jeremy picture. Her schooling pays off quickly, along with her hidden talent of squirting love juice from her pussy as though it were a pink grapefruit. Truly remarkable secretions. Meanwhile, helmsman Jeremy blows his load in the face of the Nubian lovely Supremacy, although he fails to pay decent homage to her incredible, chocolate-brown backside. Steele doesn't have much talent outside of her love-juice squirts, but *Fountains of Innocence* is a well-cast, high-budget production that will make you laugh, cry and jizz repeatedly.

—S.S.

**SEX FILES:** *Dark with a Blonde in her bung*

**FOUNTAINS OF INNOCENCE:** *La Veaux, collared and crammed*

**PRIVATE STORIES:** *Pile of cunts Charlie, Magdela and Andrea.*

## Private Stories 23

THREE-QUARTERS  
ERECT

Directed by uncredited  
starring Melissa Hill, Monique,  
Charlie, Helena, Peggy Sue,  
Magdela, Christina Andrea and  
uncredited French fuckers  
Videocassette Private Video

For those wondering why America went to war twice in this century to save France's ass from invasion, *Private Stories*, with its cast of ball-boiling French floozies, answers the question. The hardbodied, Gallic gonad lickers of *Private Stories* display a talent for butthole sodomy that surpasses any other breed of slut on the planet. Thankfully, American cultural influences have civilized the French to the point where their bitches shave their armpits. Frog-legged and with a dick crammed in her mouth and another pistoning her trimmed, brunet quim, French fuckmate Andrea shows off her native talent for surrender by effortlessly rolling her firm posterior into the air and opening her sphincters for a punishing blitzkrieg. The cock below continues to shove her love trench without missing a beat. *Private Stories* proves that even though French people often stink, their porn doesn't always. —M. A.

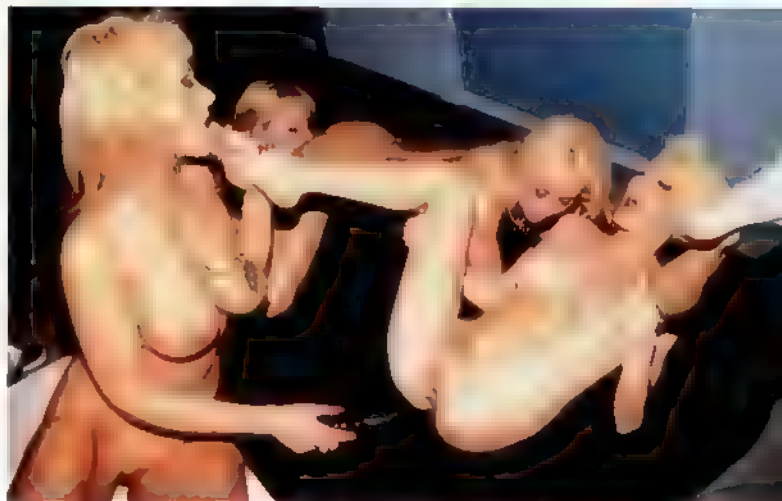

## Anal Virgins #4

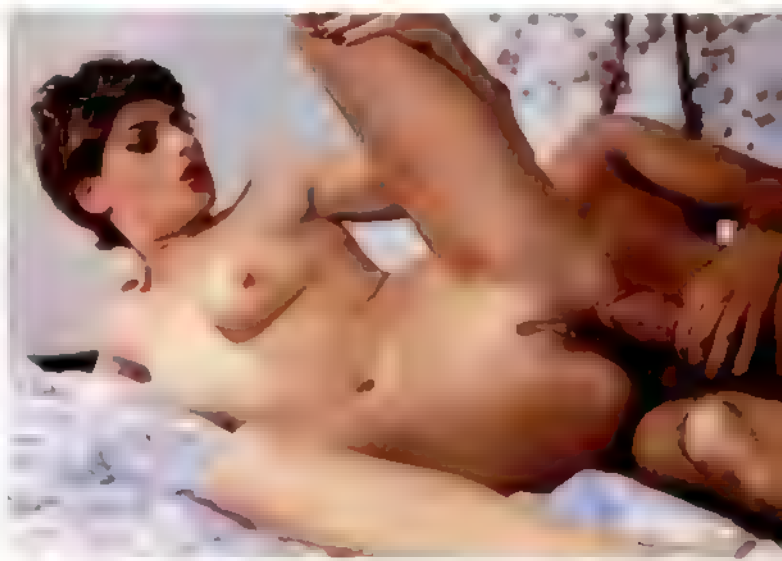

HALF  
ERECT

Directed by I. Didditt  
starring Seduction, Kimi Ji, Bella Donna  
Delfin, P. J. Sommers, Katie Gold,  
Dave Hardman, Michael J. Cox,  
Sean Rider and Brian Surewood  
Videocassette New Sensations

There are probably more shy virgins in the L.A. city women's drunk tank on Saturday night than there are in the entire *Anal Virgins* series. The sinkhole anus on some of *Virgins'* "amateur" skin stars look wide enough to park a Winnie-the-Pooh without folding down the side mirrors. Take former Max Hardcore protégé Kimi Ji, for example. A Vietnamese American with napalm flame-red hair, insanely green eyes and a body with more tight curves on it than a corkscrew, Kimi Ji giggles happily as two dudes with horse cocks warm her up by plowing two veiners into her clam trap at once. Skewered in a more conventional anal/vaginal combination, Kimi Ji rides both horsemen with the gleeful expression of a kid on a merry-go-round. Jets of spuzz spurting across her maniacal grin at scene's end leave her laughing as if she'd like to do the whole thing over again. *Anal Virgins* may not always be pretty, but it does the job. —M. A.

**BUTT SLAMMERS:** *Sun, Rage, Arnell and Cox suck, fuck and frolic*

**ANAL VIRGINS:** *Bella Donna, ex-butthole virgin.*

## Disgusting, Shameful, Successful

In his yearlong career as a XXX director, Robert Black '24, is widely credited with bringing the art of the fuck film to a new low. Chicks being porked in trash cans, on wheelchairs and under toilets. Loogies spat in faces. Throats choked. Models dancing in bird suits while suls smear slimy, dead fishes over their twats. These are the hallmarks of visual garbage that viewers expect from a Robert Black production. Taking time out from a busy schedule that included a blowjob scene with Erika Bella and picking up delivery of his new Porsche, the young raunch auteur expounded the "Robert Black philosophy." The highlights of the interview that follows in no way represent the opinions of HUSTLER. HUSTLER: You come from a fairly illustrious porn family.

BLACK: My dad started Zane Entertainment with my uncle Chuck and was arrested 105 times for obscenity. But I don't talk to that cocksucker Chuck Zane. He's a piece of shit.

HUSTLER: You're known for having strong opinions about the adult business. BLACK: This business is shit. The girls in this business are fucking psycho whores. Anybody who gets fucked and sucks for as little as \$200 has no scruples and no morals.

HUSTLER: How do you rate the other directors in adult entertainment?

BLACK: Everyone sucks. Last year AVN [Adult Video News] gave Paul Thomas a Director of the Year award. Did they give Paul Thomas the award for *Bobby Sox*? That was a fucking lag movie.

HUSTLER: What about the nastier gonzo directors, such as Max Hardcore?

BLACK: What Max Hardcore does, any asshole could do. Make a finger puppet out of a girl's pussy, peddle her, basically just about rape her. Is that great? He's a piece of shit.

HUSTLER: What makes your movies different?

BLACK: What I learned about movies, I learned from Oliver Stone. If you watch my movies, there are messages and a redeeming social value. In *Shooting Gallery*, we had the chick smoking bong hits and getting fucked in the trash can. It shows the conflicts and problems of drugs in our society. HUSTLER: What do you think the audience wants from porn?

BLACK: People want from porn what they can't get anywhere else. They can't get a girl that they can slap, make her eat their fucking dirty, smelly ass, come in her fucking mouth, she guzzles it down and she goes and makes fucking dinner. HUSTLER: Why is there so much spilling in your movies?

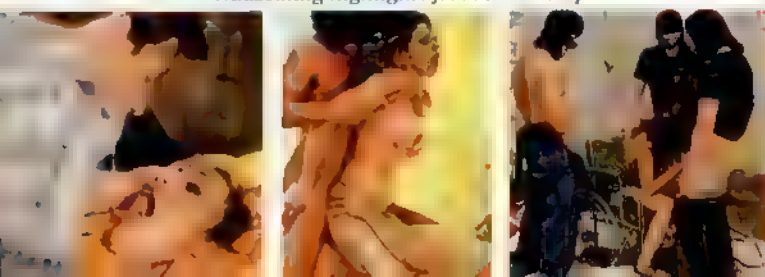

BLACK: I see it as degrading, dirty and filthy. Grabbing a girl by the fucking hair and splitting a big, fucking wet snotty coogie right in her face is fucking filthy. It's hard to find girls that will do that. HUSTLER: Is that the essence of a Robert Black movie?

BLACK: You don't want to watch some guy "making love" to the girl. You want to see the girl up on all fours, eating a bunch of guys' asses. Watch them pick her up, give her a whack on the face and have her go back down on them some more so when she's done, she's gonna have that ass smell all over her face. You watch it, and you feel like shit. You think, *I just jerked off to this? Why did I do it?* Shame is the essence. Kicking back with a bottle of amyl ntrate and jerking off to a Robert Black video and slicking your own fist up your ass. That's nasty.

HUSTLER: Are you getting the critical recognition you deserve for your videos?

BLACK: Yeah. In *Cellar Dweller 2* we've got the midget in the bird suit, and he smokes dope and drinks 40 ounces and calls people "nigger" and does karate and ninja moves. You'll piss your fucking pants if you see it. That will probably get Comedy of the Year.

Nauseating highlights from Black's opus.

## 100% Amateur #33

ONE-QUARTER  
ERECT

Directed by uncredited directors; starring Vanessa, Nicki, Lynx, Randy and Vlad. Videocassette: Odyssey Group Video.

*100% Amateur #33* is less than 33% worth watching. Although the box copy promises two full hours of amateur anal action, the text gives no warnings of the dangling, pink speed bags that Vanessa insists are her labia. Nor does it mention the fact that two of the three cock receptors probably took their first ass rearings after swallowing fistfuls of blue LSD at Woodstock. On the brighter side, young Lynx, dressed in a schoolgirl skirt and knee-high socks, with auburn hair that reaches all the way to the business end of her adolescent ass, is seduced, rimmed, spanked and fouled in a genuinely amateur spirit that makes even an experienced pervert wonder how to effectively remove cum stains from the inside of a trench coat. Taken as a whole, *100%* represents gross mathematical error, and its purchase is a glaring miscalculation. —S.S.

## America's 10 Most Wanted

HAIF  
ERECT

Directed by Tom Stone, starring Margo Stevens, Jill Kelly, Nici Sterling, Avalon, Anita Blonde, Lee Anna Hart, Bridgette Belle, Vivienne, Felecia, Crystal Knight, Coral Sands, Jenny Fields, Vince Vouyer, Wilde Oscar, Eric Price, Frank Towers, Mr. Lucky, Eric Hunter and Peter Romero. Videocassette: Odyssey Group Video.

It is not uncommon for men who marry a pair of knockers as full and fluffy as those blooming on blond kitty cat Margo Stevens's chest to find themselves barricaded in their homes, taking on the local SWAT team with a high-powered rifle after the tit owner has packed her bags and slammed the door with a final, defiant shake of her cream-puff ass cheeks. Jerking off to perfectly formed porn stars in an adult entertainment is

always a safer alternative to porking the real thing. Although *America's 10 Most Wanted*, with ten full sex scenes, presents nearly twice as many opportunities to safely strangle the trouser monkey as the average porn flick, many of these opportunities are blown because of shoddy, below-average helmsmanship. Not even the worst director can spoil such spunk-inspiring shots as Stevens's swollen turd rings straining to engulf a jumbo wiener, or Jill Kelly's wobbling chest goiters splattered with splork dripping from her freshly fucked face, but *America's 10 Most Wanted* is only half as good as it ought to be. —M.A.

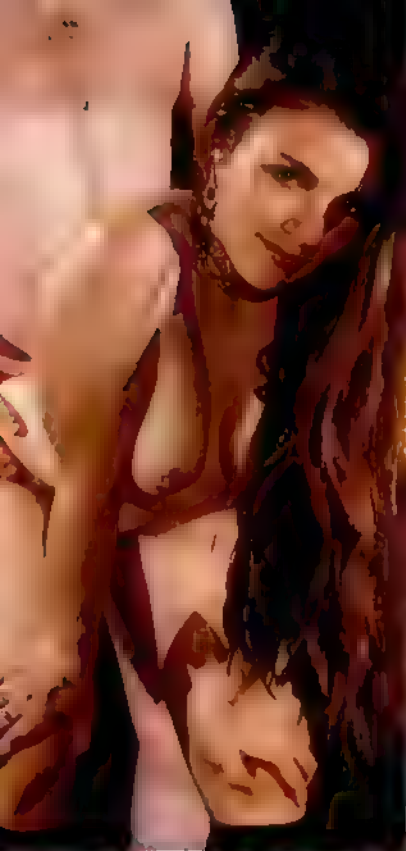

## Jenna's Revenge: Till Death Do Us Part

HAIF  
ERECT

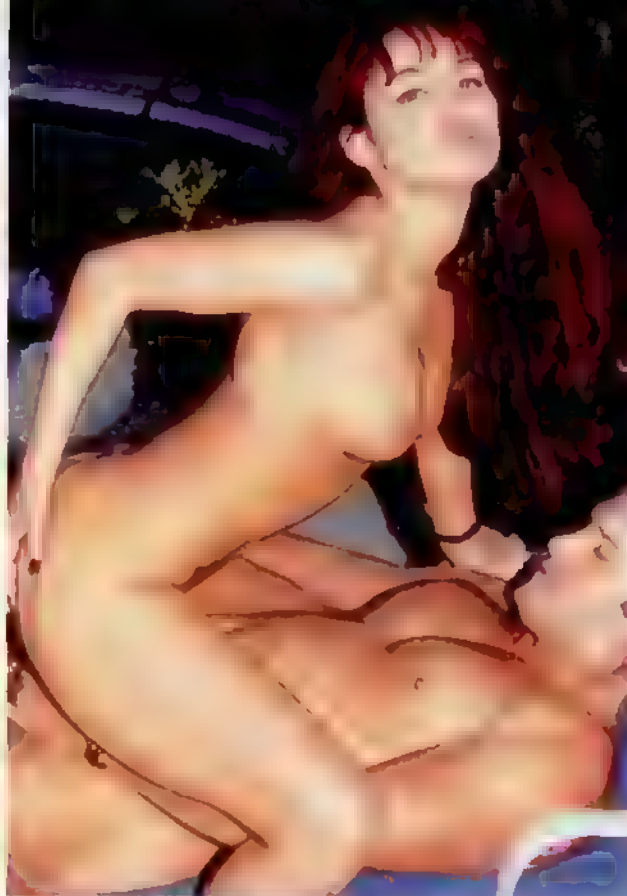

Directed by Brad Armstrong, starring Jenna Jameson, Jill Kelly, Holly Body, Sinder Cox, Johnny Black, Ruby, Papillon, Mark Davis, Brad Armstrong, Vince Vouyer, Eric Price, Jake Steed, Marc Wallace. Videocassette: Wicked Pictures.

Whistling Jesus, can Jenna Jameson act? The obvious answer is no, but she does evoke a tear of sadness from the tasteful viewer right before he hits the eject button ten minutes into *Jenna's Revenge*. Director Brad Armstrong breaks a cardinal rule of porn: A girl's face should be harboring a dick or awaiting a salty splash of cucumber juice at all times. Instead, we see Jameson mixed up in a drawn-out thriller that drifts so deeply into plot development that the viewer forgets why his shriveled vein monkey fell asleep in his hand in the first place. Armstrong manages to work in seven quality sex scenes, but *Jenna's*' aftertaste is marred by severe boredom. Properly edited (that is, without Jameson's laughable dramatic flailings), *Jenna's Revenge* could be a great film with calculated sexual intensity that thrives on double penetrations, solid rectal rearings, clear and effective lensmanship and a highly charged all-star cast of fuck pups. The final product, however, is an exercise in the art of fast-forward. —S.S.

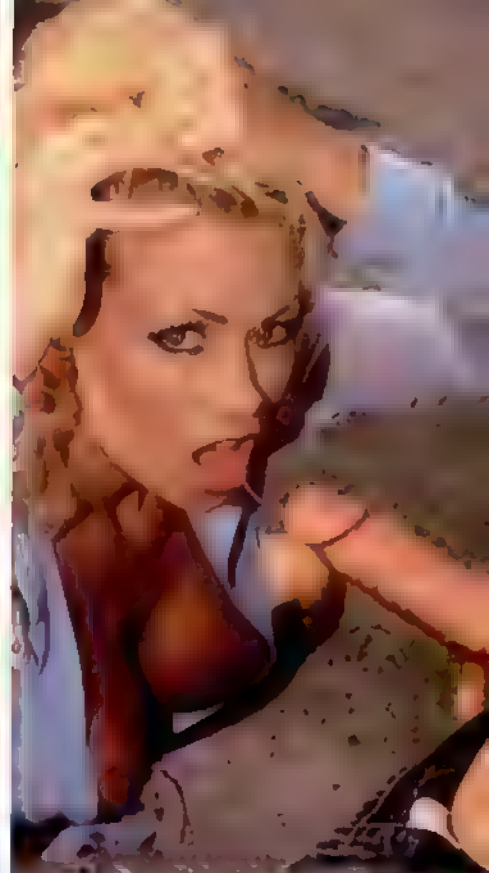

100% AMATEUR: Lynx, 100% slut

AMERICA'S 10 MOST WANTED: Vivienne humps chump.

JENNA'S REVENGE: Jameson regurgitates cock slop.

## Wet Dreams

HALI  
RECT

Directed by Jon Yuma  
starring Nici Sterling, Rebecca Lord,  
Stephanie Swift, Ruby, Olivia  
Sydney Steele, Mark Davis, Wilde  
Oscar, Julian St. Jox, Tony Tedeschi,  
T. T. Boy, Evan Stone, Kyle Stone  
and Michael J. Cox  
Videocassette Nasty Pixxx

*Wet Dreams* helmsman Jon Yuma modestly claims to present the first ever, groundbreaking XXX video to be entirely based on "porn-star fantasies." As soon as veteran gang-bang slut Nici Sterling flounces into frame, flashing a sloppy, dick-sucking smile as she hoists up her oft-seen rearend, viewers quickly realize they are about to see nothing but the same old shitpit being piled into by a succession of greasy and weary-looking porn dudes. Each cock slides into Sterling's weathered hung as easily as a foot slips into a comfortable old shoe. Other scenes of well-known squack being packed by all too familiar hump hounds are equally startling and new *Wet Dreams* has been dreamt many times before. —M. A

## Anal Holiday

### 1 HALF ERECT

Directed by Jim Enright and Dow Jones starring Nici Sterling, Roxanne Hall, Kelly Jean, Kim Cummings, Kimberly Jade, Alexandra Silk, Chloe, Wilde Oscar, Steve Hatcher, Kyle Stone and John Decker. Videocassette: VCA

Nici Sterling and Wilde Oscar have some sort of running dialogue between the scenes of *Anal Holiday* that's hard to decipher unless you're a lip-reader on crystal meth. God help you if you choose to endure the mindless chatter at normal speed, but whatever its fabricated storyline may be, *Anal Holiday* delivers liver-deep sphincter reamings for everyone involved, even Sterling, whose teardrop bum and rich-girl mug are a refreshing omega to the six trailer-park slatterns who rectally ingest blood monster in *Anal Holiday*. In all fairness, the film does not disappoint the anally fixated: Kelly Jean, in nurse's whites, flips her legs over her head and takes a deep bowel cleansing from Kyle Stone before he loads her lips with dick milk, but from a technical perspective, *Anal Holiday* doesn't stray an inch from tried-and-true formula of anal-sex video. Asses are fucked, and sometimes that's all that matters.

S.S.

## Diva 3: Pure Pink

### 2 ONE-QUARTER ERECT

Directed by Michael Ninn, starring Sunset Thomas, Stacy Valentine, Rebecca Lord, Asia Carrera, Paisley Hunter, Avalon, Nikita, Vanessa, Raven McCall, Malita, Solveig, and Roxanne Hall. Videocassette: VCA

Why is it so hard to persuade hot-looking girls to do any atrocious erotic thing worth filming? *Pure Pink* doesn't address this question, but it certainly confirms the existence of so many doing so little with so few for so much money. The high-budget, strobe-cam aesthetic of *Pure Pink* wears thin quickly and ten out of the 11 girls in the all-girl pet-a-thon could have easily left the set without need of a shower. The camera gravi-

erotic cinema. *Pure Pink*, despite its highly fuckable all-girl cast, is watered-down, white-collar porn at its worst.

(continued from page 31)

I was so hard for that dirty girl, I hardly noticed her puke breath! All I could feel was her mitt on my crotch, clawing at the zipper and unveiling my attention-starved erection.

flirtation; I'll bet even the blind man who begs in front of the store popped his shorts! Vanessa hooked her thumbs into her black-leather hotpants and drunkenly eased them down her curvaceous hips. Dark pubes peeped over her belt buckle. The smell of booze was quickly replaced by a pussified aroma that spun my head.

My jaw went slack as my eyes drank in Vanessa's flat, bare stomach for the umpteenth time. Hell, I could have stared all night—until, that is, I remembered Russell's nauseating presence. If that Neanderthal caught me foaming over his fuck toy's treasure trail, he was sure to place a Doc Marten in my ass. Cautiously, I shot a glance in his direction. Russell was nowhere in the vicinity of his beloved Archie comic books. Instead, he stood behind the counter...with a gun trained to my head.

"Durr-uhh," drooled Russell as he cocked the hammer. "Do you like what you see on my girlfriend, asshole?"

I'd rather see your girlfriend's asshole and blow you a new one, I thought, but did not say; after all, I promised myself not to do anything stupid this year. Recalling my convenience-store training, I promptly emptied the register's contents into a plastic bag. Russell snatched the loot from my hands and cackled like a retarded child playing with his first bowel movement.

He wrapped an arm around Vanessa's bare waist before departing with a jolly, "Thank you, Mr. Asshole!" The pair turned to leave. Recalling the rest of my convenience-store training, I grabbed the owner's shotgun from beneath a pile of men's magazines and fired at Russell's empty head. What little brains he had splattered all over a soda display. My next shot nearly tore Russell's body in half.

"Oh, my fucking God," screeched Vanessa. She stood quivering for a dizzy moment before vomiting on her insignificant other's corpse. Maybe it was the malt liquor. I rushed to clean her with napkins from the nacho tray.

Vanessa may have been hysterical, but she was still good to go. Her nipples were harder than ever, and that's saying something. Obviously, I'm not the best judge of a woman's fickle moods, but I thought she wanted me to fuck her. Animalistic rutting is a tool many people choose to recover from the loss of a loved one. Sticking my hand down her pants would either be the stupid move I worked so hard to avoid—or my biggest fucking payoff yet.

The sopping nature of her meaty vage

felt like a jackpot to my frantic fingers. Vanessa cooed; her eyes rolled back in her head, and she shoved her tongue down my throat. I was so hard for that dirty girl, I hardly noticed her puke breath! All I could feel was her mitt on my crotch, clawing at the zipper and unveiling my attention-starved erection.

"Mmm," Vanessa moaned, deep-throating my shaft. One slurp devoured the length. I attempted to lean back on my elbows, but slipped in something I'd rather not describe. The important thing was Vanessa's hungry yob, gorging upon my lap feast. Throughout the messy blowjob, I struggled to strip the indescribably tight leather from Vanessa's long legs. Finally she was bare-assed and ready for a plowing of the poon.

God, I silently prayed, *please let me bust a nut before any cops show up for their nightly coffee*. Punching in the maximum strokes in the minimum amount of time required a doggy-style entry. I knew I'd feel guilty about it later, but I lifted Vanessa's mouthwatering form and draped her over Russell's remains. The carcass propped her ass in a perfect cunt-plugging position.

My first thrust between those floppy labes was a home run. Vanessa cried out, pounded the tile floor and wiggled her

bounteous bottom to take in every last penile millimeter. I wish I had pictures of that awe-inspiring booty swiveling on my manhood to share with HUSTLER's readers, but the security camera ran out of tape. Too bad; I'd love to relive the crazed gyrations of that bitch in heat.

I fucked as fast and frantically as possible. Under normal circumstances, I would have savored the moment and offered Vanessa a nice cup of General Foods coffee afterward. Slamming a girl from behind on bloody human remains, however, is hardly what I consider normal.

Having achieved balance upon what was left of her boyfriend, Vanessa was able to reach behind with both hands and spread her bum cheeks apart. I dipped a finger in the floor's gooey mess and lubed Vanessa's rectum before digitally exploring her bowels.

"Get a few more fingers in my ass," Vanessa begged, "and I'll come!" I fulfilled my part of the bargain, and so did she, exploding all over my johnson. Climax gushed from my heaving testicles and sprayed forth into Vanessa's love canal. We shook together in ecstasy. Then I withdrew and wiped away my stray spunk with Russell's conveniently located T-shirt.

A few brief slurps wet my bunghole, then Donald violently chomped my seat meat! Pain shocked my nerve endings to life, pricking like cold steel through the orgasmic haze.

The cops didn't show up for a few more hours, giving Vanessa and me time to clean ourselves up—right after a few more sweaty schtups. Turns out, Russell had a record a mile long; so John Law was relieved to see him minus a cranium. I think Dad would be proud of the way I stayed out of trouble this year. Oh, by the way—happy Valentine's Day, everybody!

## BUTT MUNCH

I may be the only woman in America willing to say it, but here goes: The media has been very harsh on Marv Albert. Sure, it's terrible that he may have raped a woman. Look at the bright side—the sinful sportscaster gave my husband, Donald, inspiration for the boink of a lifetime.

Since the birth of our second child, Donald and I have considerably slowed down our sex life. We're lucky to strap it on twice in the same month! That's why I was so surprised the day Donald rushed home with a massive tent pitched in his chinos.

"Honey," he gasped, waving a grubby newspaper in my face. "Read all about it! Tell me if it makes you as hot and both-

ered as I felt all day at the office!" I tried to calm Donald and insist he speak in slow, rational sentences. He steadfastly refused until I studied the *New York Post's* screaming headline: "Marv Flips His Wig."

The article inside detailed the charges against Mr. Albert. I read the long list of infractions again and again, marveling that such a toadlike little man could dream up so many arousing ideas. By the time I finished, Donald was already clad in my most cherished pink teddy!

I squealed, "Donald! You'll stretch the fabric!" In fact, a particular part of Donald's anatomy did the majority of the stretching. His groin rocket hadn't lifted off that way since we were high-school kids fumbling in the back of a beat-up Nova.

"And you'll rip the fabric off my body," he growled, carrying me into the bedroom. I kicked and screamed, faking the reluctance Marv's poor fuckmate felt for real. As Donald tossed me onto the mattress, I noticed he had donned more than just lingerie; atop my horny hubby's head sat a toupee so cheap and ugly, it made Burt Reynolds's dead rat seem tasteful. Getting into the moment's method acting, I flung the cheap rug across the room.

"Now bite me," I ordered, lifting my skirt and spreading my dampened thighs. Donald didn't even bother to remove my panties. He simply pulled the crotch to one side and stabbed tongue within my musky retreat. Slimy tickles traveled my spine as I ground crotch against his taste buds. My clitoris stood up and demanded a lick of its own. I don't know if Marv can chow carpet the way my hubby does, but if he can, that diminutive, balding pervert can rush my end zone any day.

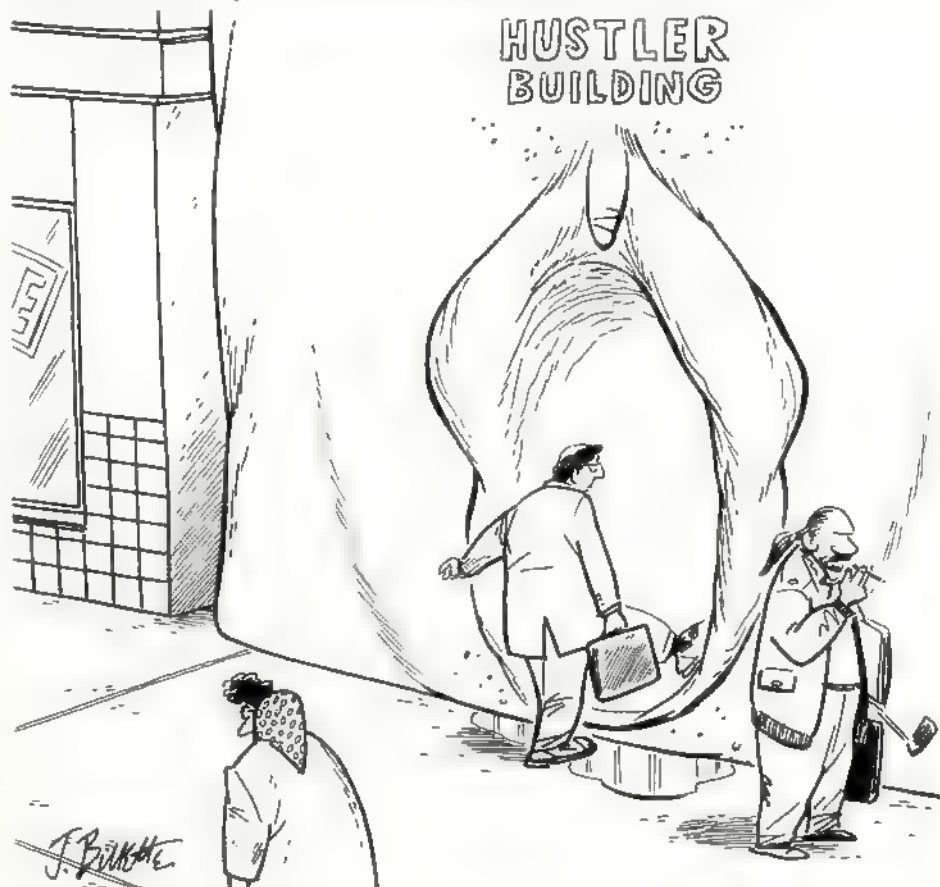

I was reeling from the cunninglingual blitzkrieg when Donald made his first molar move. He clamped teeth upon the inside of my thigh, playfully tugging flesh. Talk about a thrill! My hands instinctively freed my giant cans, and I tweaked the peaks as Donald suckled my mound.

Suddenly Donald fiercely grasped my ankles. Using all his strength, he lifted my legs for oral access below my saliva-soaked taint. A few brief slurps wet my bunghole, then Donald violently chomped my seat meat! Pain shocked my nerve endings to life, pricking like cold steel through the orgasmic haze. I knew I wouldn't be able to sit down for a week, but the incredible, primal sensation was worth it. I feel the same way about fist-fucking.

While Donald continued to assault my backside like a between-the-sheets shark, I fingered my twat in a steady, circular motion. Two or three climaxes rippled through my womb. If I could nut off this hard just by having my back bit, I was sure to come buckets when Donald's big boy invaded my personal space.

Wielding his pork sword, Donald seared open my vage with an enthusiastic, "Yes!" God, how it burned—and how good it felt to be mercilessly fucked! After the birth of Don Junior, Hubby had a tendency to hold back his thrusts, unwilling to bring a Don the Third into the world. This evening, however, I tasted the tip of his cock in the back of my throat. I held the teddy's drawstring as a leash and pulled Donald even deeper inside.

"Yes," Donald hissed again. "Yesss!" Everything went warm as liquid excitement filled me to the pink brim. Donald continued to plunge and slosh inside me, providing just enough stiff friction for my G-spot orgasm. I dug my fingers into the lingerie on his ass and rode my lacy cowboy to a shrieking finale. Scum dribbled down my leg. In a moment of kinky inspiration that could only be channeled directly from Marv, Donald licked his leavings from my thigh and spit the salty

mess into my open, gasping mouth. I haven't felt like such a dirty girl since he felched me in college!

Our role-playing didn't stop with simple cross-dressing. We brought home one of Donald's bosses for a Marv-style threeway, and we even moved on to other celebrities. For instance, I'm waiting for Donald to meet me at the hotel whose name graces this stationery. Tonight, I'm Suzen Johnson, and Hubby is wearing a strap-on the size of Frank Gifford. Don't worry, we found a baby-sitter for Cody—I mean, Donald Junior! —H. K.

## YOU'VE CUM A LONG WAY, BABY

I've been two-timing my fiancée with this temp worker named Claudia. You wouldn't blame me if you laid an eye on the comely wage slave. At first, I thought Claudia and I would never get caught. After all, I've successfully cheated on girlfriends since I was eight years old.

Claudia's clam possesses a special talent that I didn't count on: It squirts. I'm talking big, briny bursts of what seems to be a female ejaculate. It's the only exciting thing I've ever seen spray out of a woman's body, and I love to finger her to the bursting point.

Unfortunately, those gash geysers tend to soak my clothes. And Elizabeth—the chick wearing my ring—immediately sniffed out my intraoffice affair.

What's really amazing is that Elizabeth recognized the odor of pussy juice because she too can spout climax. She never told me, believing I wouldn't consider such an experienced fucker the marrying type. Regardless, Elizabeth handed me an ultimatum. I had to choose between the main course or my side dish.

The quandary kept me up for many sleepless nights. My solution was designed to make everyone happy—but most of all, to give me masturbatory fodder for the rest of time.

I proposed a cum-squirting contest. Elizabeth and Claudia would sit on the bed, diddling each other to the moment of eruption. At the other end of the room, I'd sit with a ruler and an open mouth, eagerly awaiting a taste and a measurement. Whoever came the farthest distance won my hand in holy matrimony (and I do mean holy; the snatches on these girls are wider than Texas, let alone the Texas Tunnel).

Considering I had simply dreamed up this plot in a jerk-off frenzy, I was shocked when the two loves of my loins

agreed to every condition. Both were utterly confident in their ability to drench the distance. We held the match on a rainy Sunday afternoon; I knew the drizzle outside was nothing compared to a twat typhoon whipped up by my favorite nymphs.

Claudia was the first to strip. Her clothes practically melted off her zaftig, pink body. Two sets of apple cheeks beamed with rosy enthusiasm below Claudia's flowing, blond hair. I hoped I wouldn't be forced to give up her baby-smooth sex spout!

Not to be outdone, Elizabeth dropped every stitch. Seeing that tall, chiseled form reminded me why we got engaged. Dark complexion, pert boobies, a neatly trimmed bush, legs that go on for days and could crush my head like a walnut—oh, Lord! How could I ever lose her athletic approach to carnal coupling?

They took their seats, settled in and began fingering without a word. I noticed Claudia's more aggressive technique, occasionally sneaking in a suck on Elizabeth's jiggling teats. Perhaps Claudia hoped to bring off her opponent first in order to judge the trajectory. Clever girl! I rooted for the busty blonde.

Elizabeth zapped back with the first muff-dive. Her face sank into the hairless

booger I had dined on during so many lunch breaks. The way Elizabeth lovingly mouthed scrunt, I almost wondered if she had experience eating girl pie. There seemed to be a lot Elizabeth never told me. Now I was cheering the secretive slut to victory.

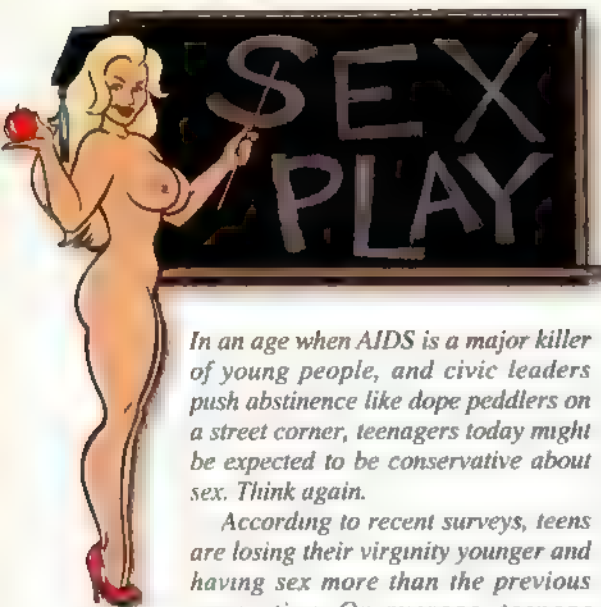

One hour later, the girls were locked in a 69 position, and I was pissed off—instead of pissed on, as I had hoped. Sure, I was turned-on...too turned-on! I was desperate to give the victor my spermy spoils. All those closet lesbians seemed to care about was swabbing each other's fishy depths. I cleared my throat to grab their attention, but Claudia was moaning and squishing so loud, she drowned out everything. Literally!

Frustrated, I headed to the bathroom and beat my meat. Then I went out for a burger. On the way back, I rented *Schindler's List*, watched the tape in its entirety and checked on the girls. They were still going at it! Last I heard, those fucking cunts got married in Hawaii. Aloha, you dykes! —P. L.

# The Future of Sex

## Legal Teen Sluts Talk About Fucking

BY BOB RICHARDS • ILLUSTRATION BY MARC MCKEE

*In an age when AIDS is a major killer of young people, and civic leaders push abstinence like dope peddlers on a street corner, teenagers today might be expected to be conservative about sex. Think again.*

According to recent surveys, teens are losing their virginity younger and having sex more than the previous generation. On average, teenage girls have their cherries popped at 16, and pimply faced boys first wet their dicks a year younger.

For a clearer picture of youth sex, HUSTLER traveled to Virginia to speak frankly with four teenage girls about their extensive sexual experience.

Angie, 18, not only likes to bone, she loves to talk about it; Kari, the child of two free-fucking hippies, is 18; Tammy, 19, is a college freshman; and Lisa, 18, recently started having sex, but has already reached double digits in partners.

TAMMY: I lost my virginity a month after my 17th birthday. We were in a field between a church and a cemetery. I didn't want to do it because I was scared—I thought I'd go to hell.

KARI: I already knew I was going to hell!

TAMMY: Well, I didn't care either. We fucked in the field, and that was that. I didn't know what to expect. In the movies, you see all this groaning, but then it happens, and you think, *What's the big deal?*

HUSTLER: Anyone else have a similar experience?

ANGIE: I lost it early in high school. Sex wasn't what I expected—it hurt, and I didn't like it. I thought it was going to be more romantic, but all of a sudden I was getting pounded. It lasted a couple of minutes; we had to stop because the condom broke.

KARI: I was 14. I wanted to do it because everybody was talking about it. So one night, this guy and I snuck out of my house and fucked in the woods. He sucked, and I knew it right away. Sex comes naturally to me.

LISA: I was 16. I was out with a bunch of guys, just cruising around, and one of them was really cute. Eventually we started messing around, and I was like, "I'm not going to sleep with you." But I did anyway. At first I didn't even know what was happening. But it hurt. I bled for two days.

HUSTLER: What do you use to prevent pregnancy?

ANGIE: Nothing. I worry about getting pregnant.

LISA: I'm on the pill.

TAMMY: Condoms.

KARI: Condoms are uncomfortable. You're ready to have sex, and then—hold up, gotta put on the condom.

ANGIE: When you're horny, you don't worry about a condom or getting pregnant. You just want to fuck.

HUSTLER: Have any of you gotten pregnant?

KARI: I had an abortion.

TAMMY: Me too.

HUSTLER: What about diseases, with the threat of AIDS and all?

ANGIE: I've gotten a disease, but not AIDS or anything.

KARI: People worry, but not until afterward, when it's too late.

HUSTLER: What turns you on when you first see a guy?

ANGIE: Face.

KARI: Butt.

LISA: Body.

TAMMY: His arms.

ANGIE: Bulges in his pants.

KARI: Eyes. The way they look at you. The way they want you.

HUSTLER: Did you start with oral sex?

TAMMY: I had a bad experience getting eaten out once. He bit me; so I told him he wasn't getting anything else. I like giving head at times—except when it makes me gag.

KARI: It makes you gag when guys push your head down on their cocks.

LISA: Yeah. They shove your head! I was with this guy once, and I was sucking his dick, and he started coming in my mouth, in my hair and on my shirt. It was nasty.

KARI: The only time I won't do it is after sex—only before.

LISA: If you give a guy a blowjob

*"I'm Martha Stewart. You know, if you spit on the end of your  
dick, it slides into a dry pussy much easier!"*

# Sex Play

I like giving head because it turns dudes on. When they make noises, it's so funny—all those *ooohs* and *ahhs*. It makes me feel like I have control, and sex is a power struggle—who needs it more?

after sex, it's like eating yourself out.

ANGIE: Sometimes I won't blow a guy, but they don't get mad, because I'll always fuck them.

KARI: I suck boys off all the time, and every guy I ever did it to told me I was the best. It comes naturally, doesn't it?

TAMMY: It does.

KARI: I like giving head because it turns dudes on. When they make noises, it's so funny—all those *ooohs* and *ahhs*. It makes me feel like I have control, and sex is a power struggle—who needs it more?

HUSTLER: Do women have an advantage?

KARI: Yes. If I want sex, I can get it any time.

LISA: Any time, any place.

ANGIE: We can get laid. Any girl can.

TAMMY: Guys live their lives between their legs; so we've got the advantage.

HUSTLER: What are your favorite positions?

LISA: As of recently, doggy-style. I had done it with two guys before, but it hurt. My boyfriend knows how to do doggy-style the right way though. Other than doggy-style, I don't like being on top. I like the man on top.

ANGIE: You just don't have the rhythm when the girl's on top.

LISA: I feel stupid on top.

TAMMY: I don't really have a preference. I just want it.

KARI: I don't like doggy-style because I don't trust guys; they'll always try to stick it up your ass. If I'm on the bottom, I like to wrap my legs around his neck. I like it on top because of the control. It's fun driving men nuts, and I know how to do it.

ANGIE: I like it on top too, because guys like it a lot. I keep changing the rhythm, go in circles, get him to moan a lot. Also, I'm really flexible; so my favorite position is with my legs going all the way behind my head. The guy's dick goes in farther that way.

HUSTLER: Ever try sex with multiple partners?

ANGIE: Not at once; but one right after the other? Yes. Tag team. Once I was with another girl and these two guys, and we all had sex, then switched partners and fucked again. It was fun.

KARI: Me and Angie are going to do that.

TAMMY: I was seeing this guy named Rob, and he had a friend also named Rob. Rob 1 was fucking me, and Rob 2 wanted me to go down on him. I told Rob 2 no, because I couldn't concentrate. I really need to concentrate on what I'm doing.

Another time there were four guys. First I

was with Rob 1, and then I fucked the other three—Rob 2, Kevin and Steve. I got them all off, but I was scared. I started crying, but then I thought, *Stop worrying*, and I was having fun after a while.

ANGIE: If you think about it, you were having sex with four people.

TAMMY: Yeah. I got upset at first, because I felt like trash. But I enjoyed it.

HUSTLER: A lot of the guys you're with are young. Problems with premature ejaculators?

ANGIE: It happened with me once, and it was rude. All he did was come all over me. Didn't even stick it in my pussy. I don't mind if my boyfriend comes on me though.

HUSTLER: It's supposed to be good for your skin.

ANGIE: Then I must have one healthy stomach.

HUSTLER: How about guys coming on your face?

ANGIE: Nobody's ever come on my face.

KARI: Guys have come on mine.

LISA: Face and hair.

HUSTLER: Do you like the taste?

ANGIE: I don't know. I usually spit it back at them.

HUSTLER: What about masturbation? Do you all play with yourselves a lot?

ANGIE: I don't do myself.

LISA: I've never done myself.

TAMMY: What's the sense of doing it yourself when you can go out and get a guy to do it?

ANGIE: I think masturbation is disgusting. I don't even like it when a guy fingers me. My attitude is: Why should you finger me when you have a dick in your pants?

HUSTLER: After you've been screwing for 15 years, will it be as exciting?

TAMMY: Yes.

KARI: If I'm with the right person. But if I'm stuck with the same person for 15 years, I may be in trouble.

ANGIE: Eating off the same plate for 15 years, you're going to get tired.

TAMMY: I'm greedy when it comes to sex. I'll be able to stay with him if he can satisfy me, and I know I'm satisfying him.

KARI: I just cannot imagine having sex with the same person for that long. There's only so much you can do.

TAMMY: You can spice the sex up.

KARI: I'd get tired of spicing it up.

HUSTLER: In the end, what do you think about men?

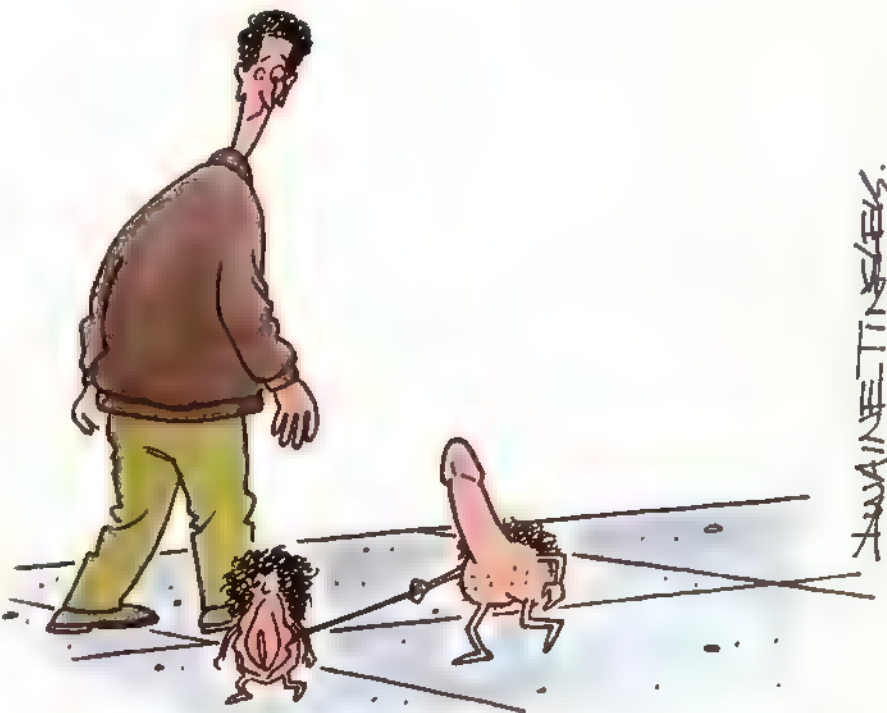

TAMMY: Assholes.

LISA: Dicks.

HUSTLER: But you tolerate them.

ANGIE: Of course.

KARI: We've gotta have sex. 🍆

Combine 100 naked sluts and thousands of beer-swilling fans of naked sluts, and the result is total deviant chaos. Throw them all together at an Indiana nudist camp, and it's the 26th annual Nudes-a-Poppin' beauty pageant at the Ponderosa Sun Club.

"People have told me I'm chunky, that I'm fat or not good enough, and that is why I'm here. I just want to prove that I can do something. Hell, I just want to tell them all, 'Kiss my ass! I can do this.'"

It's Saturday, 11 a.m., on a wiltingly brutal July day in Roselawn, Indiana. For now, all is quiet at the Ponderosa Sun Club nudist camp.

Amy, 19, and Melanie, 22, bend like wishbones over an aging, wooden NO SWIMMING sign on the grassy edge of a sparkling pond. The sweet-faced blondes peek back expectantly, grinning enormous, cheesecake smiles, squinting into the raw sun that bounces its gleaming rays off their naked, splayed ass cheeks.

"Is this okay?" Melanie asks of a furtive photographer who has promised to place photos of the girls in America's most prominent skin magazine.

"Yes, that's beautiful, girls. Now show more coochie!" coaches the twitching camera jockey. "Larry Flynt will love this shit."

Still bent over, the girls spread their legs apart, reach back and succumb happily to the request, generating excited camera-shutter clicks from the half-spastic lensman, who is torn between the desire to capture images and the compulsion to hoist a can of Old Milwaukee.

Melanie sits on a plastic beach ball, holding Amy on her lap. The girls are covered in sweat. When the camera finally stops clicking, Melanie stands up, the ball remaining solidly suctioned to her

unclothed crotch. She turns bright red, giggles and quickly peels the globe away; the plastic separates from the skin with an audible release of air.

"Whoa! I heard that!" cries the shifty, beer-breathed shutterbug.

A stark-naked schlub in dark shades, sporting a hat with a fake ponytail, cigarette hanging from his lips, roars by in a golf cart, firing gritty plumes of dirt into the air.

When the dust settles, Amy is standing with a fist on her hip, the other hand clearing the mascara running beneath her huge, green eyes.

"You know, people have told me I'm chunky, that I'm fat or not good enough, and that is why I'm here," confides the tawny, plus-size beauty in a sultry monotone. "I just want to prove that I can do something. Hell, I just want to tell them all, 'Kiss my ass! I can do this.'"

Amy and Melanie are two of the early arrivals of the 90-plus strippers flocking to compete in the Ponderosa's 26th annual Nudes-a-Poppin' beauty pageant, hosted by porn troll Ron Jeremy and sex starlet Janine Lindemuller.

Located two hours south of Chicago, the Ponderosa, advertised as the largest nudist resort in the Midwest, holds the

competition twice a year, in July and August.

During the contests and feature acts, which start at noon on Sunday, the Ponderosa's serene enclave of "lifestyle" nudism mutates into a chaos of hopeful peelers competing for titles such as Miss Nude Go-Go and Best Breasts. The ecdysiast entrants are enjoyed by an audience of thousands of slathering, goggle-eyed male spectators.

"The Ponderosa is just a place for people to relax nude," clarifies 33-year-old Scarlett Schmitt-Cox, reclining fully clothed on a green-tweed sofa in a VIP trailer. Scarlett is Ponderosa president and the daughter of owner Tom Schmitt, an engaging, gravel-voiced Chicago native who was raised by nudist parents.

"The whole atmosphere changes during the shows," Scarlett continues. "Normally, it's very laid-back here, but during the show, it's totally crazy. You've got nude dancers running around all over the place, and the crowd gets pretty wild. Many of the club members clear out, but a lot of them help put on the contest—they do the security, run the pop stand, help with registration of the dancers. Some members would just as soon we not do the show, but it's good financially and exposure-wise for the club."

"When people come during the show, they don't realize that our club is like a normal society," adds Tom Schmitt, his chin showing a slight tremor from major post-stroke surgery five days earlier.

"The oldest member is 89; the youngest, six weeks," Tom furrows his brow. "Nudism is not about sex. There is no outward sexual behavior allowed here. If someone gets an erection, they go to the bathroom until it goes down. The contest, though, is about sex. It's show biz."

"Before I went into the operating room, I said to Scarlett and my wife, Lennie, 'If I die, don't bury me right away. You will not think about my death until after the show. You will put on the show, because there's nothing more important than Nudes-a-Poppin'.'"

The professional nudist also sees the show as a charitable event. "We do it as a fund-raiser for the club. It's fun, and it's great for the girls too. They learn a lot from the other dancers. If they win, their [dancing] fees can jump."

"In fact," Schmitt recalls, "one club owner, whose girl was down here for the show, called to thank me. He said, 'Tom, I've got to hand it to you. I sent you a girl, and you sent me back a woman!'"

"Can you horny bitches wait till I'm done?" fumes Morton Null, tattoo visionary. "This winged unicorn is startin' to look like a goddamned anteater!"

Not that Mort minds the view of the stripper and her pussy pal. He's been dreaming about getting a piece of the dynamic duo ever since he caught them in their nude magic act down at the Sip and Sizzle.

"I can't help it, Mort!" Tori says. "That hot needle feels so good next to my cooch!"

There's nothing like mixing a little pleasure and pain to make a girl fall head over heels.

(continued from page 60)

"I like being the spanker and the spankee. There are some people who are really weird though. One guy asked me if he could buy my panties. I said, 'Sure.' Then he asked if I could pee in them first!"

A tanned security official pops his head into the trailer. An interloper, who was dismissed the previous year for bludgeoning a fellow audience member with an umbrella, has been spotted on club grounds.

"Well," Tom says coolly to the questioning enforcer. "He'll have to go, won't he?"

A few Ponderosa regulars lounge on the pool deck, savoring their dwindling moments of nudist peace before the heinous crowds descend. Several early stripper arrivals splash about in the pool. The girls stand out like pneumatic beach toys in a sea of saggy, crisply baked asses, thick mustaches and sun visors.

"I always time my vacation so I leave right about now," explains a skinny, combed-over club member lounging beneath a beach umbrella. "This whole thing is too much for me."

An obese woman in a teal-green muumuu wanders up to the pool and delicately dips her toe into the water. She appears out of her element. Gesturing toward her, Scarlett explains, "We only allow clothing for a day. Sometimes it takes the women longer to get their clothes off. But they really have to, or they can't stay."

Around the Ponderosa's lushly forested grounds, spotted with RVs and tents, magazine photographers arrange playful photos of naked, nubile blondes in a vintage truck and hay wagon, assembling the relatively wholesome, corn-fed beauties for sorority-theme party photos.

A Rubenesque brunette from Wisconsin, branded with a blurry rose tattoo on her right boob, draws the photographer contingent to the footbridge near the pond.

The contestants realize it won't hurt their winning chances to warm up to the crowd.

"I love coming here," says red-haired Hoosier hardbody Lisa Marie, last year's Miss Showstopper of the Year. The pint-size vixen and her gorgeous, curvy, brunet comrade, Nakita, sit at a picnic table, eating hamburgers and chips, swatting away mosquitoes.

"It's always a blast," gushes Lisa Marie in a teasing heartland drawl. "You get to see everyone, have a good time. Besides, I just got out of a bad divorce—found out my money and my pussy were the only things that were important to my husband! I told Nakita she had to come down with me. I know she'll love it."

The buxom duo puzzle over a con-

testant survey from the Editors of HUSTLER'S HOMETOWN GIRLS.

The first question reads: "Are you slutty?"

"When I want to be!" Lisa Marie exclaims. "Now, how about this one: 'What's the biggest thing you've ever stuck in your pussy?'" Her face contorts with concentration, and she looks up, beaming like a spelling-bee prize winner.

"Probably a big dick!" Lisa Marie continues reading from the questionnaire. "What's my favorite position? Definitely doggy-style."

Bored by the questions, Nakita fidgets with her purply-red painted nails and adjusts her go-go boots. She turns her attention to a photographer's portfolio on the table. Absently flipping through the book, she suddenly stops short, her eyes narrowing. "Hey," she purrs at the shutter-bug, pointing at a portrait of a sugar-blond hunk of a male model. "Is this one bi?"

"I don't think so," he answers. "Probably a pure fag."

Nakita furrows her brow and pouts, "Why do all the cute ones not like girls?"

Carly, a pillow-lipped, creamy, blond graduate of the Continental School for Strippers, in Eagle River, Wisconsin, loves coming to the Ponderosa "to meet people and have a good time."

"It's like a great big family here," she says, taking a break from networking with photographers. "If you get hot, someone'll go off to the trailer and get you a Coke!"

The former costume designer explains why she started dancing. "You know, I could sit around and sew till the day I die, but I can't strip forever! I'm looking to explore more XXX porn-video work."

"I've done a couple of videos. I was in *Buttman at Nudes-a-Poppin'* 4 last year, and I've been in one triple-X feature so far. My husband is a videographer; so it's something we can do together."

Carly's wheelchair-bound better half sits nearby, grinning with pride.

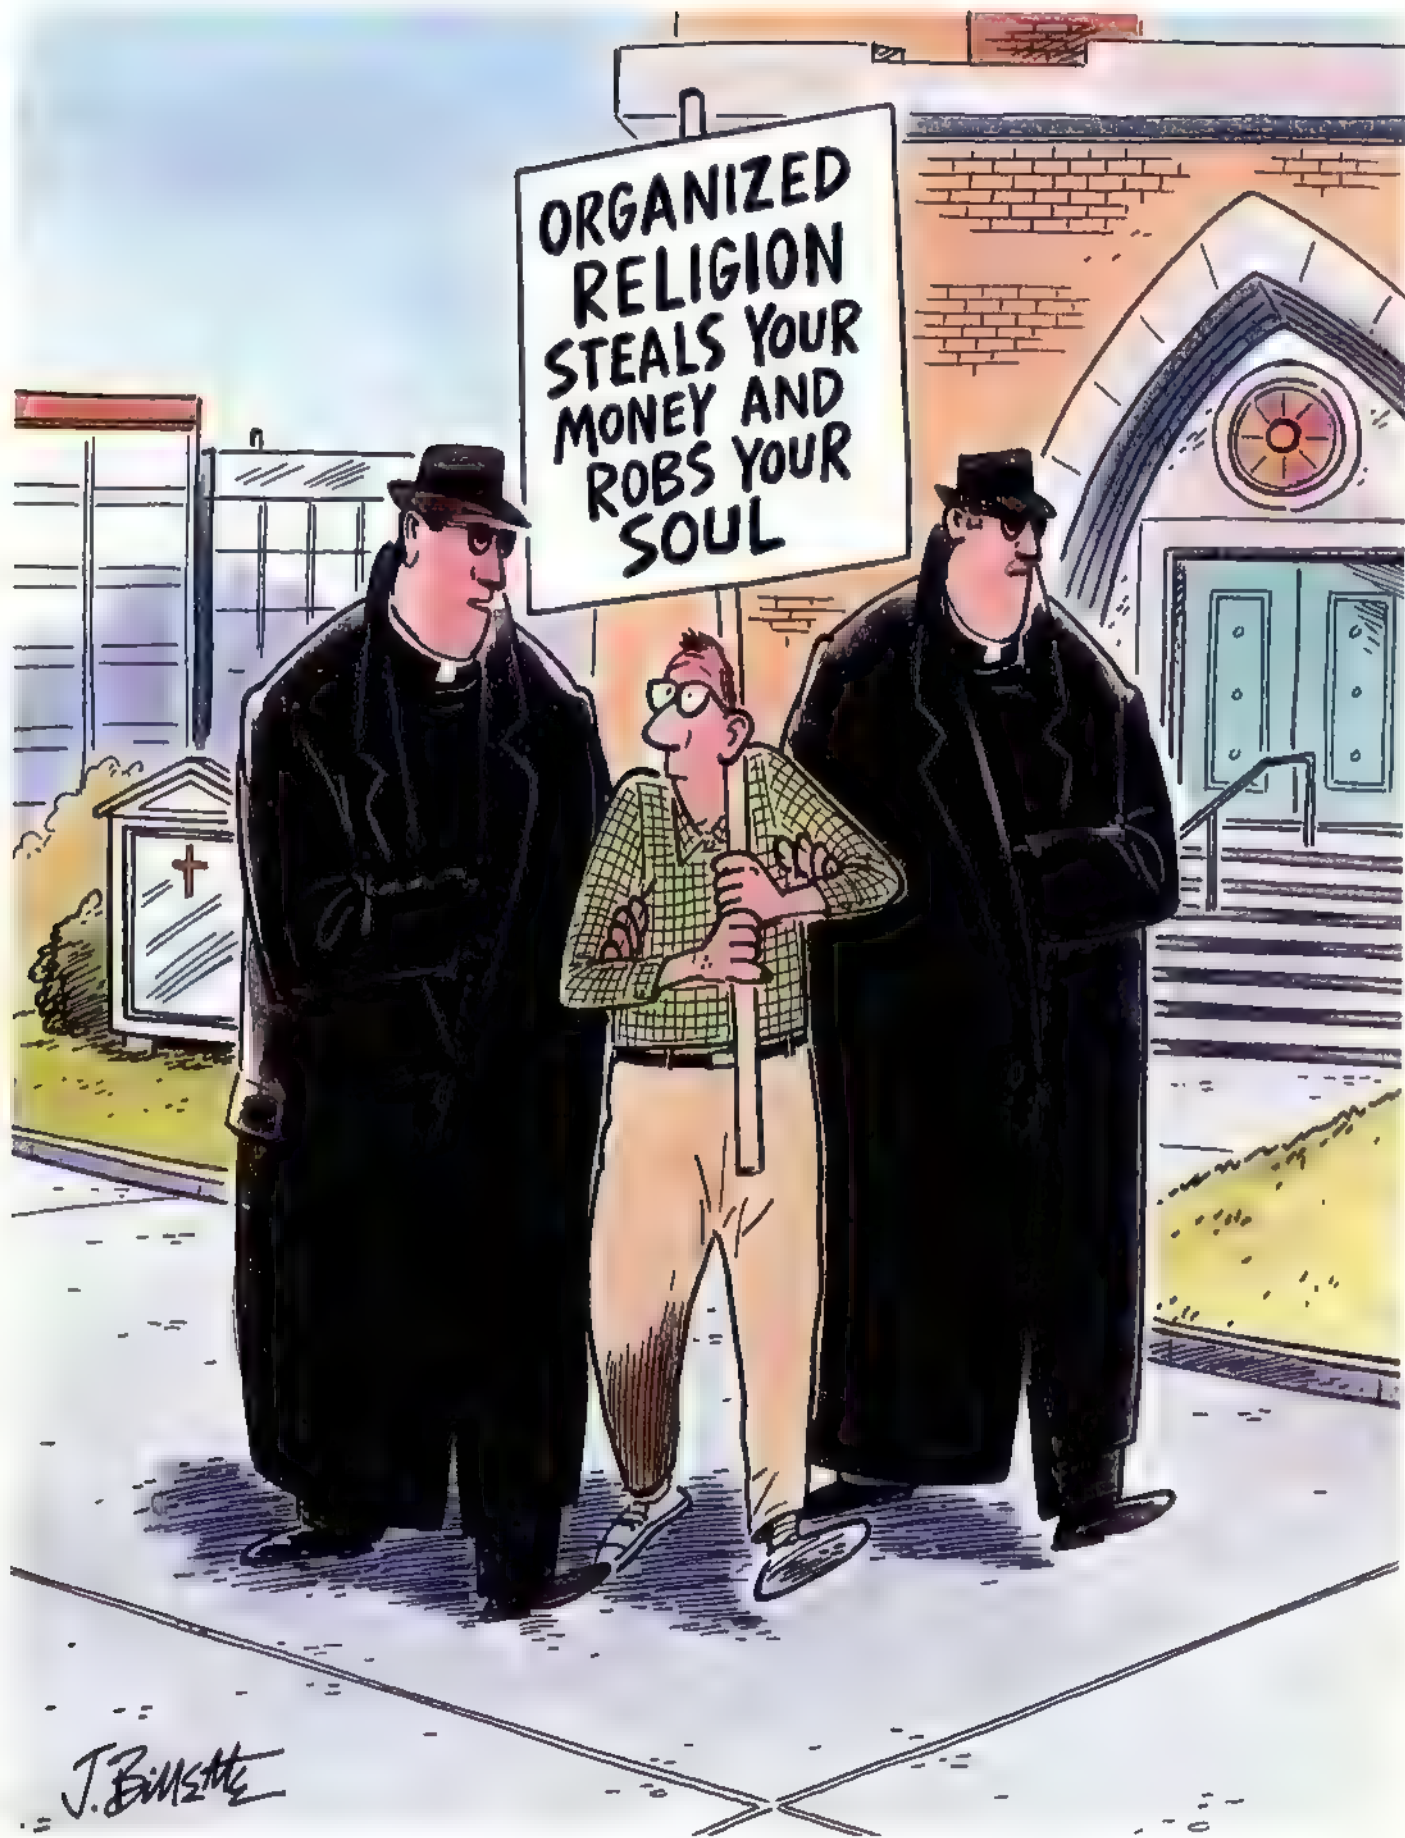

"I'm interested in doing more work in the fetish market," imparts the forward-thinking Carly. "A lot of the guys that come to see me dance are fetishists. I've gotten gifts of Ping-Pong paddles and other stuff."

"I like being the spanker and the spankee—it gets the blood moving. There are some people who are really weird though. One guy asked me if he could buy my panties. I said, 'Sure.' Then he asked if I could pee in them first!" Carly wags her pretty finger and tosses her head back in laughter. Her chaired

hubby remains impressed as ever.

"Man, a hit of Goldschlager would be great right now," says a booze-numbed, Indiana gent with a striking, late-'70s heavy-metal haircut. He props himself awkwardly against the roll bar of his Ford F150.

It's 6 a.m. on Sunday morning, and the Ponderosa is already swinging. The PA blasts AC/DC and Pantera. Horny Midwesterners in their family sedans and tricked-out muscle cars, some parked outside the club since the night before, pour through the gate and settle in a nearby field.

Most begin to unload the beer coolers.

Yellow-shirted security guards scurry about the grounds. Contestants, wearing shorts and tank tops, some of them haggard from the previous night's partying, crowd around the desk in the main clubhouse to have their IDs checked by a sour-looking woman in a T-shirt that proclaims: 49% SWEETHEART. 51% BITCH.

Many of the girls appear anxious. A Shannon Doherty look-alike leans stiffly against the wall. "A lot of these dancers have been here before," she says flatly, eyes leveled straight ahead, staring into space. "But I'm totally freaked out. I want to win something today."

Beach-ball model Amy's ID is missing. "What the hell am I going to do?" she moans, pale and devastated. "This totally sucks!" Without proper documents, she cannot qualify as a contestant. Minutes later, disaster is averted, and Amy's ID is recovered amid squeals and group hugs from fellow contestants.

At a table in the corner, a skank, wearing a black S&M body harness and a sailor's cap perched on an avalanche of bleached-blond hair, gingerly picks up one of the Twinkies offered for breakfast and looks at it questioningly.

"Do you think I should eat this?" she asks a statuesque friend clad in overalls and a bikini top. Her fellow hussy chooses to ignore the question, opting instead to play with a black cat that has wandered onto the scene. The nautical bondage queen stuffs the snack cake into her face.

A bright-orange Camaro squeals into the gravel lot outside the camp's main building. Heads turn. A stripper with feathered, stringy hair, wearing a buckskin, fringed G-string, bounds from the car, hops onto the hood and poses frantically. A frenzied crowd of camera wonks gathers and snaps away.

Showtime draws near.

"I've been doing this show ten, maybe

11 years," says astonishingly hirsute porn troll—and host of the proceedings—Ron Jeremy, amid the registration mayhem.

"We've had some great hosts here," the fabled Hedgehog continues. "The Nelson Twins, John Wayne Bobbitt, Nina Hartley and Hyapatia Lee—she was even discovered here."

Jeremy recognizes that there are profit margins to be considered. "We can make money selling Polaroids with Janine Lindemuller—she'll do that with the audience today. But you just can't ask just anyone to get naked in a Polaroid booth. Grandpa Munster [Al Lewis] also wants to host, but Tom's not sure he'll be a big enough draw. We'd prefer to get porn stars."

By 11 a.m. the compound is teeming. The temperature climbs, and the air is soppy and wet. Girls rotate around the pool on posing platforms set up a cunt hair inside a chain-link fence that borders the stage area and holds the groping hordes at bay.

Pouring sweat, the featured attractions pole-dance on the platforms, swish their hair around and balance on their butts, legs aloft. The pussy displays crawl on all fours and jut their asses at the drunk and howling throngs.

Nakita has developed a desperate following who refuse to let her off the platform. Her fanatics scream for her to spread her legs again and again. Another dancer, waiting for her turn to enjoy the adulation, crosses her annoyed arms across her chest as Nakita pours a bottle of water over her head, running her hands over her slick body.

When Nakita finally lurches from the platform, she smiles strangely and mumbles, "Wow, this is really weird."

A line forms outside the "Polaroid trailer," where Janine Lindemuller will pose with audience members for ten ducats a pop.

Ward, a slack-jawed mook from Dearborn, Michigan, is a veteran of many Nudes-a-Poppin's.

"They'd crucify me at work if I didn't come every year and take pictures," he chortles. "They'd really hurt me! I have a photo album from the contest the last few years that I keep at work in a safe."

Ward's gazing compatriot, Dennis, relates that he's married. His wife "would probably kill me if she knew I was here looking at all the girls." He and Ward eyeball each other and dissolve

"I dream of going to Hawaii," the lucky man said, "but I'm afraid to fly. Boats make me seasick. I wish for a road to be built from here to the Islands."

The genie appeared doubtful. "That's impossible. Think of all the piling needed to hold up a highway, how deep the pillars would have to be drilled to reach the bottom. Imagine all the pavement needed. Try again."

"Well," the man told the genie, "I've always yearned to understand women; what makes them laugh and cry? Why are they so difficult to get along with? What makes them tick?"

The genie was silent for a few moments, then said, "So, do you want two lanes or four?"

Offended at such inequity, the union man continued searching. Several brothels later, he finally found a reasonable madam.

"I run a unionized house," she said. "The girls receive \$80, and the house pockets \$20."

"That's more like it!" the UPS man exclaimed. Surveying the room, he noticed a stunning blonde. "I'd like her for the night," he told the madam.

"I'm sure you would, sir," she answered, pointing to an obese 55-year-old woman, "but Ethel here has a lot more seniority."

"That's extremely generous of you," the reporter said. "Will you spend the remainder on yourself?"

"Oh, no," the charitable soul replied. "I am giving the rest to the Nazi Party."

The reporter was stunned. "As a Jewish man, how could you possibly support the Nazis?"

The old Jew rolled up his sleeve and exposed his arm.

# WHEN *Fair* ISN'T FAIR

HOW TO PICK UP FEMINIST DYKES AT AN ALL-WOMYN FOLK/ROCK FEST

MUSIC REPORT BY SEIWYN HARRIS \* ILLUSTRATION BY ALEX WARD

The only thing feminist folk rockers hate more than the idea of a man is the presence of a man. Come along as HUSTLER infiltrates the 1997 Lilith Fair to expose rampant commercialism, excessive body hair and the Almighty Jugs of Jewel, then escapes with balls intact.

# Lilith

Colvin clocks in a few years older than the other Lilith fairies. She looks like she frowns a lot.

And while I can't prove it, I swear she's frowning at me. I get scared.

As we approach the end of the 20th century in the United States, in a cultural climate where riot grrls move millions of records, and sitcom starlets blatantly suck cunt on and off TV, a dark-haired, dark-eyed, folk/rock songstress named Sarah McLachlan founded the all-female Lilith Fair concert series.

Her timing could not have been more perfect. Vagina-bearing musicians were coming into unprecedented popularity on radio and in record stores. McLachlan herself was effectively unknown when she toured with the initial Fair; but by the apex of the '97 follow-up—which features household names Sheryl Crow, Suzanne Vega and the Almighty Jugs of Jewel—McLachlan has scored the number-one album in North America.

And she's a really hot piece of ass too.

The Lilith Fair is named for the first wife of the biblical Adam, who supposedly appeared in a draft of the Good Book that was later scrapped—for good reason. In this original version, Lilith was omery and headstrong, so much so, the Supreme Patriarch banished her from the Garden of Eden to somewhere probably a lot like Olympia, Washington, and replaced her with the famously easy-to-dupe Eve.

Depressingly not easy to dupe is the modern-day press-agent of Lilith, from whom I am attempting to wrangle a press pass. I know revealing that I write for HUSTLER will ice the whole deal, but I want to press flesh with all that tit-heavy talent when they set up their babaganoush stand in the New York metropolitan area; so I lie.

"I'm a freelance writer," I tell the darling voice on the other end of the phone. "I hope to sell my Lilith Fair coverage to the *New York Post*."

"I'm sorry," she responds. "It says here that the *Post* is already sending someone."

"How about *Mad*? Or *Cracked*? I do stuff for them too!"

She laughs. I picture her as cute, in a tofu-munching, Lilith Fair kind of way.

"We're busy here, sir." She's becoming impatient.

"Look," I break down, "I write mostly for a publishing house called LFP."

"What are their titles?" she asks, her delectable nubbin toes no doubt wiggling in her requisite Birkenstock sandals. My boxer shorts are on the floor now; my mind all over her unshaven loveliness.

"CHIC," I try. My other options include *RapPages* and *Sci-Fi Universe*.

Anything but HUSTLER.

I imagine this dolly's armpit fluff. Her nose ring. Her other-thing rings. She is probably sweating a bit, patchouli oil dribbling past a floral-print tattoo on her back. Or boob. Or anywhere. I'm falling in love.

"Is CHIC a fashion magazine?"

"You know it," I enthuse. I hear her tapping on a computer keyboard. I can practically feel her unpolished fingernails in the very place a gentleman would feel them most. "LFP also puts out BARELY LEGAL," I add. "It's concerned with the rights of young women."

"You're from HUSTLER, aren't you?" Oaf! The H word! "I'm sorry, our media accommodations are overbooked as is."

I imagine her ivory skin flaring scarlet in anger and embarrassment and maybe just the slightest peekaboo of arousal.

I won't be getting a press pass to the Lilith Fair, but I am in desperate need of a Handy Wipe. Pronto.

"You can't bring that in here."

Great. Another hassle. The guard outside the Jones Beach Amphitheatre points to my ramshackle medical equipment. Behind him, the 1997 Lilith Fair is seething humanity.

"It's not like I'm charging money," I bellyache. "See all the little pink ribbons everyone's wearing? That's about breast-cancer awareness. All I'm offering is an examination service, gratis. You're denying women access to affordable health care! What if your wife or daughter were in need...?"

"Y'all don't want to go there," the guard snarls. In the end, he's right. I ditch the gurney and the rubber gloves and careen into clidom come.

Shawn Colvin is performing on the main stage. Perhaps even more than mother McLachlan herself, Colvin is Lilith's biggest beneficiary: Her hit "Sunny Came Home" is among the most inescapable white-people music of 1997.

Colvin clocks in a few years older than the other Lilith fairies. She looks like she frowns a lot. And while I can't prove it, I swear she's frowning at me. I get scared. Listen, sister, I came here for solace—which miraculously enough, falls at my feet.

"Oh, dear," apologizes the girl.

My solace has come in the form of a twentysomething-looking chick with  
(continued on page 98)

"Hi, I'm Chelsea...who's got some dope?"

strawberry-blond hair, clad in clunky shoes, pointy eyeglasses and a T shirt that reads. EVE WAS FRAMED. Could this be Lilith herself?

The profound appeal of ultraliberal, planet-rescuing, female-healer types to meat-devouring, porn-mongering Republicans like me is as mysterious as it is deep-rooted. I am the very problem these broads exist to solve.

This turns me on to no end; so I help the stricken missy to her feet.

"I'm sorry," she reiterates. "I got separated from my friends. We were rushing to find an information table—there's a rumor going around that Chelsea Clinton may appear onstage."

Now she's talking my language. I introduce myself. "My name's Selwyn. I'm a reporter."

"Hi. My birth name was Madeline, but I changed it to Magdelane. Who do you write for?"

"A Chelsea Clinton fanzine." I figure it's close enough.

"Let's get you the scoop then. Come on!"

I follow Magdelane through the throngs of multigrain-snack scarfers. The crowd is overwhelmingly female, average age probably around 18. Some women hold babies; a few have even

managed to smuggle in dogs.

Nobody moshes; nobody sells anything with meat in it. The medical station is run by herbalists. Witches (their word) demand civil rights at one of the many propaganda outlets.

Along with myriad advertisements for Diet Pepsi and other corporate giants, insidious slogans are printed everywhere, from the ancient snoozer, "A woman needs a man like a fish needs a bicycle," to "Starve a rat—make him cook dinner!" to the semi-inspired, "Dead men don't rape." Ah, tolerance!

Before long, Magdelane catches up to her friends. "This is Emma, Emma, Emma and Molly," Magdelane says by way of introduction. They're some crew.

I realize I can either keep track of them by their T-shirts or give them nicknames. Thusly, I spend the afternoon with Buzzcut, Satchel Ass, Wholewheat and Fishlips. And Magdelane.

"I like your shirt," Wholewheat says to me.

It's a garish Polynesian print. "Thank you," I reply. "Hawaiians are really neglected as a people of color. What's that written on your shirt?"

"World Hunger Sucks," she answers.

"Oh, yeah," I say. "I forgot."

Something whacks me upside the

head. I pivot to find a flamingly homosexual male couple. Their HATE IS NOT A FAMILY VALUE: STOP BATHHOUSE HARASSMENT placard is the conking culprit.

"Fucking faggots," I growl.

*Oops.* Mistake. Shawn Colvin suddenly isn't the only one frowning at me.

"It's okay," Magdelane interjects. "Selwyn's gay."

"Ha—wha...?" I stammer. Of course she thinks I'm gay. I'm the only thing with testes at the Lilith Fair who was not dragged here, kicking and screaming, against his will. Biting the bullet (and nothing else), I recognize the primo cooze-hound angle a pansy pose could give me. I beam, "I prefer the term *queer*."

"That's cool." Fishlips approves. "I call myself dyke and bull dagger because I think the casual use of demeaning terms strips them of power."

"Exactly," I nod. "Now let's go buy some juice from those filthy wetbacks and ask the darkie security guard what's up. Come on, cunts."

All I see are nipples and teeth. You might know her as Sheryl Crow.

If there is one Lilith performer to respect above all others, it is the litingly scratched voice and humongously toothsome grin behind the smashes, "All I Wanna Do" and "If It Makes You Happy."

While Sheryl Crow may not write all her songs, as McLachlan and Suzanne Vega do, or be as politically outspoken as Tracy Chapman or as eerily gifted as 19-year-old Fiona Apple, Sheryl Crow knows and understands what too many women never will—specifically, that if you're a chick with small tits, under no circumstances should you wear a bra. Ever.

"She's cool, I guess," Magdelane huffs, "but she sort of plays too much into male fantasies of, you know, rock chicks."

"That was just what I was thinking," a voice behind us intones. We turn around.

Magdelane's comrade-in-Crow-resentment is redheaded and Danish-looking. She's selling clunky, Aztec-type jewelry from behind a table. I can see she has also adopted the Aztec tradition of forsaking undergarments. *Muchas gracias, Montezuma.*

"I'm Dagmar," offers our new friend. Naturally. Nobody at Lilith Fair can be named Pat or Jane or Sue.

"Aren't you glad Alanis Morissette

**Dagmar bends over. Her deliciously copious dairy cannons spill into my line of sight from within her crinkly, brown sundress. Do you ever feel like you're a genius of masturbation? I do. A lot.**

isn't playing?" Magdelane prods.

"Tell me about it!" Dagmar gripes. "I know Sarah's got to sell tickets, but, like, you know?"

Magdelane nods. She, like, knows.

"How much for this bracelet?" I chirp to Dagmar. "This one...oops, butterfingers me, that I just dropped on the ground by your feet."

Dagmar bends over. Her deliciously copious dairy cannons spill into my line of sight from within her crinkly, brown sundress. Do you ever feel like you're a genius of masturbation? I do. A lot.

As I prepare to overturn Dagmar's entire display in hopes of glimpsing her au-natural suckling chute, Sheryl Crow wraps up onstage. We are asked to welcome Paula Cole.

Ever-egalitarian Lilith policy showcases performers at random, rather than by star status. This is how Cole, who has thus far produced one popular single, "Where Have All the Cowboys Gone?" could follow bazillion-selling Crow. If acts were ranked by underarm hair, however—or the desire to show it off—Paula Cole would headline every time out. Welcome to the jungle, everybody.

The show drags on. Human eating disorder Fiona Apple is profoundly dis-

turbing. Tracy Chapman takes the stage as the sun sets, and all I see are eyes and teeth.

I think Tori Amos squats on an electric eel. Suzanne Vega sings "Luka"—two times. Joan Osborne belts blues in time to the wobble of her mammoth bazooms: If God were one of us, like her hit song ponders, He'd whack off to her too.

Sarah McLachlan and the Almighty Jugs of Jewel are last up to get down.

Buzzcut and Fishlips want to move toward the stage. Wholewheat is AWOL. Magdelane wanders over to an anti-death-penalty tent. There is still no word on the First Daughter.

Club-hopping Serena Altschul files MTV reports from atop a scaffold that advertises Benetton, La Leche League, Nike, AT&T and the Women's Health Action Coalition.

Whatever the Lilith Fair is selling, megacorporations are repackaging it and selling it even quicker. Some young mom waddles by, holding a copy of the Hillary Rodham Clinton tome, *It Takes a Village*. My mind ricochets into chilling contemplations: Are the powers that be in cahoots to castrate America?

I will not go quietly.

My dick comes out.

I only play with it a little at first, but then an announcement insists we get ready for the Almighty Jugs of Jewel, and I prepare the best way I know how: by playing with my dick a lot.

That's when the screams start. And the tears. And the violence.

"Not here! Not here!" comes a cry from my left, followed by a hobnailed boot to my butt. Yogurt smoothies and shredded falafels bombard me from every direction. I am informed, hysterically, that children might be present. I reply that they ought to follow my fine example.

"If this were Canada," one fiery maiden seethes, "we could legally blind and cripple you."

"I've got scissors!" hollers another. "Let's cut that thing off!"

Uh-oh.

Raw-nubbed fingers shove me in all different directions. Serena Altschul, high above, yammers away, unaffected by the donnybrook. As the predators move in for the kill, I shout oft-repeated rumors regarding Tabitha Soren's anus, hoping MTV's camera will catch the impending attack. It doesn't. Instead, I catch a copper model uterus, hard, to the brain.

The walk back to my Brooklyn apartment is long—20 miles or so. Although it's not like I have the option of sitting—too much has been stuck up my ass at the Lilith Fair.

On the long journey home, I run through the more subtle sodomy I've been subject to: the sloganeering interspersed with super-bucks sponsoring; the theatrically impassioned compassion; the insistence that "good people" tow but a single line of thought—i.e., abortion is sacred, gun ownership is profane.

It all goes to show that there is truly nothing so steadfastly closed as a "progressive's" open mind. Except, of course, the determination of über-business to package and promote any fucking product, regardless of what's inside (or behind) it.

What a day. I run through all the makeup-free faces I saw, the goofy-ass T-shirts I read—and then I turn back, determined to catch the end of the Lilith Fair and the Almighty Jugs of Jewel.

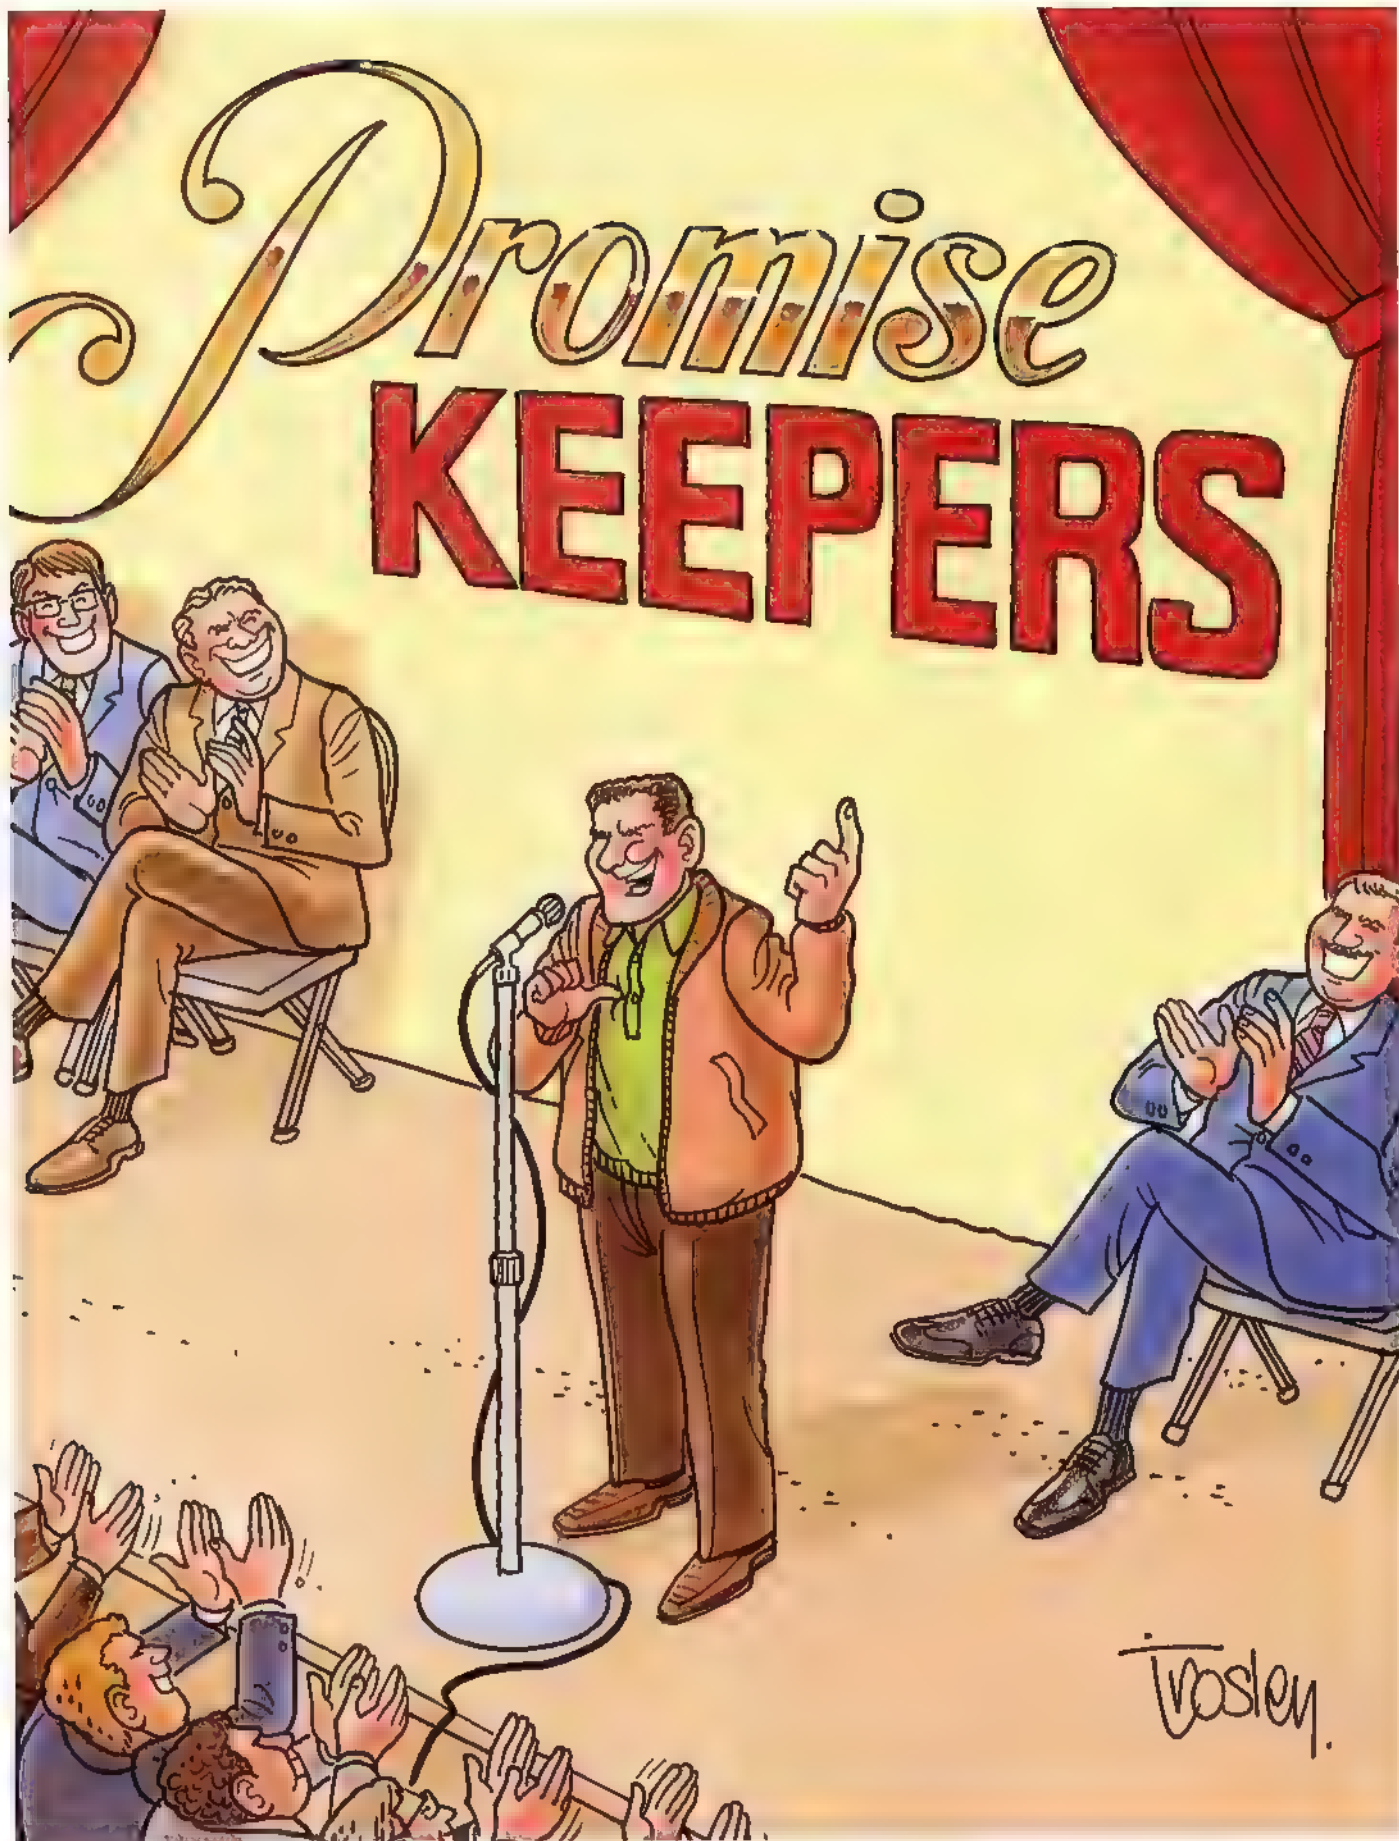

What can I tell you? I've got an erection. And to think I questioned the nature of the power that actually runs the world.

At least I've learned something. ☹

*"Senator, land mines don't kill people; people who don't watch where they're stepping kill people."*

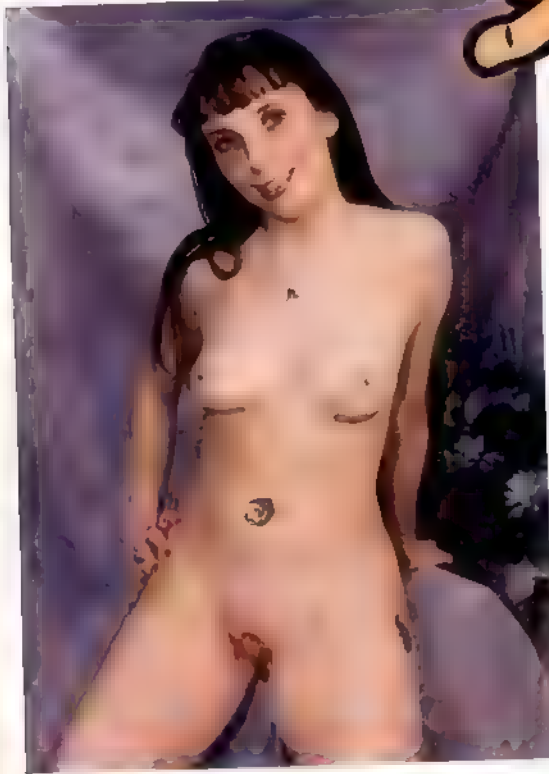

"I promise to tell her I won't come in her mouth, and I promise to come in her mouth anyway!"

## Flash for Cash!

Attention, ladies! Are you an amateur nudist over 18 years of age? The 1998 *Beaver Hunt* Grand Prize Competition is looking for you! Snap a clear, color picture and mail it to **HUSTLER Beaver Hunt**, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every lady whose picture we print gets \$250 and a chance at the 1998 Grand Prize—a photo-feature worth \$5,000. Grand Prize Finalists win \$1,500 each. The award for the photographer of the Grand Prize Winner is \$500, and the Finalists' photographers win \$250. Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. All photos become the unreturnable property of **HUSTLER Magazine**.

Baring her clean-shaven beaver is Candy, a 19-year-old dancer with a fondness for skinny-dipping. This hootchie hotshot from Hubbard, Ohio, fantasizes about "wild, hot and crazy sex" on pool tables and "outside during thunderstorms." Just make sure he's carrying a big lightning rod!

Photo by Friend

Jade, a limber pharmacist's assistant, hails from Port Arthur, Texas. Not long ago, this 19-year-old's fantasy of being fucked by two guys at the same time "to the pulsing beat of Nine Inch Nails" almost came true. Unfortunately, not all men share Jade's gymnastic capabilities. Any of you guys want to try to fill this prescription?

Jamie, a 21-year-old dancer from Philadelphia, Pennsylvania, dreams of being deprived of her liberty by a cop who ties her up with her hands above her head. In the meantime, she's tied up with school, her dancing career and "kinky sex." If this 21-year-old vixen looked any better, she'd be breakin' the law!

Photo by Friend

Model, actress and "Queen of the Internet," Suzanne Star hails from Palm Beach, Florida. When this 30-year-old multimedia Beaver isn't dancing, reading or enjoying comedy, she fantasizes about being tied up and having her pussy "eaten out for hours, until the bed is soaking wet with my juices." If that isn't wet and wild enough, Suzanne also dreams of making love beneath a Hawaiian waterfall.

Photo by Friend

Trading in her white uniform for filmy lingerie, Tabi is a registered nurse from Milton-Freewater, Oregon. Thirty-year-old Tabi enjoys bodybuilding, playing the piano and traveling. When she's not caring for the sick and needy, Tabi dreams of satisfying her sexual desires by dining at a restaurant with her husband, sans underwear, and having him "play with my pussy until I come." With Tabi on the menu, the prognosis for pleasure is excellent!

In 24 short years, Houston, Texas, honey Corin has already lived out her dream of sharing a woman with her loving fiancé. In between working out, refinishing furniture and juggling schoolwork with her career as an adult entertainer, Corin has one more fantasy to squeeze into her busy schedule. She has never sucked one man's cock while being fucked by another, but she's sure the sensation would be "astronomical." If his dick is as huge as your vocabulary, Corin, watch out!

Photo by Friend

Sultry Los Angeles, California, lady Denisa enjoys modeling and fashion, but would also like to be the subject of an erotic movie. The 24-year-old *Beaver Hunt* hopeful hopes that "someday someone...will make a video of me when I have sex." Surely, someone in L.A. can arrange for a screen test.

Photo by Friend

Ronda, a stunning Los Angeles, California, sun worshiper, enjoys dancing, swimming and riding horses. This 27-year-old siren dreams of someday fulfilling her fantasy of having sex in the ocean. Dive in, Ronda! Plenty of fish in the sea will help your dreams come true.

Photo by Friend

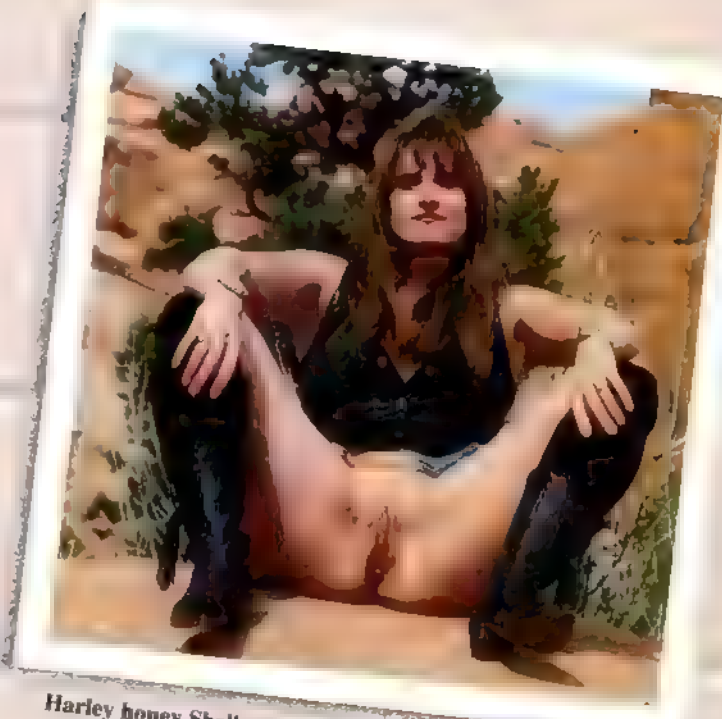

She may be a New England Yankee, but Boston dancer Shawna yearns to roam the wild West like an Indian sex squaw with her lover. Twenty-seven-year-old Shawna dreams of being blindfolded and taken to a teepee, where she and her man would "make passionate love on blankets and furs." Any red-blooded male would be tickled to be a member of Shawna's titillating tribe! And how!

Photo by Friend

Harley honey Shelley, of Denver, Colorado, enjoys riding her 1990 Custom Police Special. Aside from straddling her hog or playing mud volleyball, Shelley enjoys sweatin' in the gym and runnin' in the crisp mountain air. A 35-year-old communications manager, Shelley has no trouble expressing her fantasy of "several men shooting their jizz all over the seat of my low-rider, then watching me lick up every drop!" Hell on wheels!

Photo by Boyfriend

Twenty-nine-year-old Margarita of Lancaster, California, dreams of appearing in a magazine "with another girl." In the meantime, she beats the desert heat by watching videos, working out and "69in" with her husband. He's tasting away in Margaritaville!

Photo by Husband

Flying naked and brass-pole dancing are only some of Peg's leisure pursuits. This daring dental hygienist from Akron, Ohio, has no doubt collected many wild adventures and far-out fantasies in 37 years. Rather than reveal any of her freakiest dreams to *Beaver Hunt* readers, Peg writes, "Wait until the book comes out!" Until then, don't forget to floss!

Photo by Husband

Angie is a hairdresser from Waco, Georgia, who enjoys skiing, bicycling and "nude recreation." In addition to these terrestrial activities, 28-year-old Angie dreams of having "two men make love to me in an airplane." Anyone interested in racking up more frequent-flyer miles?

Photo by Husband

When Angel isn't modeling, singing in an all-girl band or fantasizing about meeting her idol, Steven Tyler, she directs her ambition toward a career in film. A 27-year-old resident of Grand Prairie, Texas, Angel would like to "make an X-rated video with another woman for my husband." Angel requires that her lusty co-star have "a sex drive as high as mine." Bet it will be a bonanza at your box office, Angel!

Photo by Husband

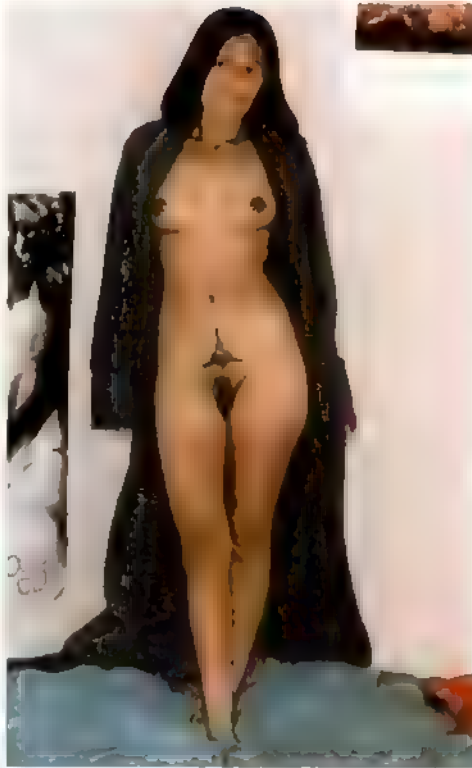

Winter is a 22-year-old corn-belt cutie from Lincoln, Nebraska. A sales representative and dedicated mother, Winter enjoys photography, bike riding and "making mad passionate love to my husband on a rainy day." Thanks for offering Beaver Hunt readers a glimpse into the heartland. Who says Midwest winters are cruel?

Photo by Husband

Becky is a 31-year-old Austin, Texas, outdoorswoman who enjoys sex, swimming and shopping. When she's not displaying her down-home charms to roadside travelers, this asphalt angel is a devoted homemaker. Next time Becky is photographed, she'd like to be making love...with another woman! She shouldn't have any trouble hitching a ride to that destination.

Photo by Self

Who thought the sexiest thing about the Rocky Mountains was John Deaver? Meet Debbie, a 20-year-old sales associate from Aurora, Colorado, who really lights a fire. This exotic, outdoorsy beauty enjoys hiking and camping and dreams of making love to her boyfriend in a field of snow. Better bring that robe along, Debbie!

# Nudes

As one ivory-skinned minx wearing baby-doll socks and red-leather stilettoes bends over, Buttman exhorts, "Yeah, baby! Point that butt at me when you clean those poles. What an ass!"

into a manic fit of high-fiving. "This year I just told her I was going fishing!"

Ward always comes to the Ponderosa a few days ahead of time to relax. "On Saturday, when the girls come in, I pick out the ones I like and follow them during the day. I've got to say, the girls get better-looking every year!"

Back onstage, the dancers sway and grind to squealing, guitar-heavy music in the blazing sun, hanging upside down on the poles. Their perspiration collects in pools on the stage.

Porn auteur John "Buttman" Stagliano scuttles around the stage in shorts and a tank top, filming the action and yelling at the girls. As one ivory-skinned minx wearing baby-doll socks and red-leather stilettoes bends over, Buttman exhorts, "Yeah, baby! Point that butt at me when you clean those poles. What an ass!"

Miss Nude Showstopper contestants' costumes and strategies vary. In a Vietnam-throwback piece, the beautiful Timber writhes and jerks her body like a soldier crawling under barbed wire. She strips off her army fatigues. Smoke machines discharge oozing, blue clouds. Flares pop off overhead. It looks like a scene from an X-rated *Apocalypse Now*.

XXX-hopeful Carly follows. She gallops about the stage like a sex-crazed Dale Evans, flicking a bullwhip at the crowd, sassily throwing off her studded black chaps and spurs.

A chubby "mermaid," with brightly colored, plastic seashells strung through her tangled hair, dances a bizarre tango in an inflatable kids' pool.

But Lisà Marie is the major crowd pleaser. Strutting her taut body across the makeshift runway, she stomps her fringed, white cowgirl boots to the beat of "American Woman." She twirls her body into hairpin curves on the poles, lip-syncing to the music.

At the close of her act, Lisà Marie flings handfuls of tiny, paper U.S. flags and bubblegum to the drunken and adoring masses.

Nudes-a-Poppin' is not all easy smiles, tanned ass cheeks and bronzed boobies. These girls pay a price for their moment in the sun, as is evident in the VIP trailer and ersatz first-aid station.

The heat is unbearable, and the trailer is packed with the sweaty sardine bodies of spent dancers and Ponderosa officials. The simmering flesh quickly devours the feeble stream of air-conditioning issuing from a single floor vent. Naked girls

wearing exhausted smiles stumble to the flue and spread their legs, hoping for a bit of crotch cooling.

One young dancer has collapsed from heat prostration. She lies ashen-faced on the sofa, still in her knee-high, leather boots, mouth agape, with a delicate palm clamped across her forehead. News comes that the beautiful Timber has fallen from the heat as well.

Directly outside the trailer window, a flaxen-haired sweetie from Detroit is posing with a drunk audience member, who mechanically makes a grab for bare tit. With lightning speed, a security nudist wrenches away the molester's wrist, which smacks against the chain-link fence. The Motor City sex kitten smiles and clicks her tongue, but gives the Polaroid seeker another go.

Undaunted, the zealous boob yanker tries again, and the woman flees into the trailer. "I don't believe these guys!" she exclaims, stunned. "They think they can just grab me!"

As the sun finally sets over Indiana, contestants are lined up, and Jeremy and Lindemuller call out the names of the nude, lucky few. Each announcement is met with adrenaline- and beer-fueled screams; winners bolt stageward to receive their hard-earned trophies. Newcomer Nakita is overwhelmed when she is awarded prizes for Miss Petite Nude Galaxy and Miss Nude Go-Go.

Lisà Marie, whose chest—unlike so many contestants'—is as God made it, struts away with the grand title of Miss Nude Showstopper of the Year. The trophy towers over the petite stunner; even her delighted leaps of joy can't bring Lisà Marie in line with the massive, coveted keepsake.

The weekend draws to a close amid a dwindling rabble of drained fans, seared, raw flesh and a warm feeling of down-home, human achievement. For some, longtime dreams have come true; for others, hopes have been dashed against the curvaceous, rocky shores of female pulchritude.

Tom Schmitt's dream came true as well: He saw the 26th annual Nudes-a-Poppin' delight thousands of maniacal spectators before sadly passing away from another stroke in mid-September of 1997.

Fear not, however, pleads Scarlett. The legacy will continue: "The show's been passed down to me now. People think it's all over, but it's not. Just wait until next year."

The nudes will pop again. ☛

My name is Dr. Bross and I have discovered the Complete Penis Enlargement System that can help you enlarge your penis. The penis vacuum pump is also becoming the #1 medical treatment for impotence, premature ejaculation, increase sex drive and sexual performance.

### WHY MY COMPLETE PENIS ENLARGEMENT SYSTEM WILL WORK FOR YOU WHERE OTHERS FAIL.

If you have tried other pumps in the past without success I am sorry that you have been disappointed. But if you are serious about penis enlargement, increasing your penis length, thickness and hardness I recommend 100% the penis enlargement systems shown here that you can buy direct from the manufacturer with a prescription and save hundreds of dollars.

### WHAT YOU NEED TO HAVE A LONGER, THICKER AND HARDER PENIS.

**1. The Best Penis Vacuum Pump.** Squeeze bulb and short stroke centric or center push pumps create a minimum amount of vacuum. Used possibly for masturbation but not for the vacuum that is required to enlarge your penis. To be successful you need our Penis Pumps with the exclusive POWER VACUUM CONTROLLER that adjusts the right amount of vacuum for your Penis Enlargement.

**2. Easy To Follow Professional Instructions.** We do not ship to you a small piece of paper with instructions on how to use the pump and then leave you guessing on its proper use. Please do not be misled. Without professional instruction there just isn't any easy 1-2-3 method for penis enlargement. Instead I have produced a Professional Instructional Video and Magazine that shows you step by step everything you need to know to be successful. Only after you learn my penis enlargement methods by watching the video and magazine it will then seem as easy as 1-2-3. I have sold millions of my videos and magazines. Because of this volume my cost is only one dollar for the video and magazine and it is not for sale. My penis enlargement instructions without the best penis vacuum pump cannot help you. I include it Free with the purchase of any of my Professional Penis Vacuum Pumps. Now you have the combination you need for your successful penis enlargement, the best professional pump and professional instruction.

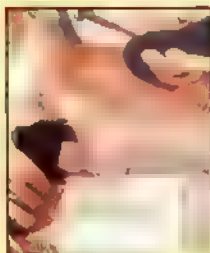

### MOST MEN DO NOT REQUIRE A PROLONGED OR ERECTION RING.

However, there are some men who would like to maintain an erection for a considerable length of time. You must not use a fixed size tight fitting plastic ring around your penis when you use a penis pump. It would restrict the blood flowing into your penis. Instead, I offer to you Free with any penis enlargement system a Comfort Fit Erection Ring that will adjust to fit any size penis.

### HOW DOES THE ENLARGEMENT PROCESS WORK?

Approximately 2/3 of your penis is made up of muscle tissue called corpus cavernosum and that tissue can expand. The Enlargement process is called hyperemia. Blood rushes into the muscle tissue causing the penis to expand to your maximum potential.

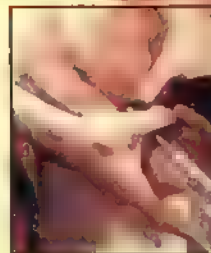

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both woman and men. He is responsible for the production of numerous educational sex videos.

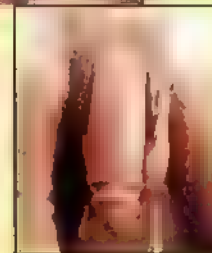

The penis about 3 inches is inserted into the clear tube.

After instruction and pumping this man has enlarged his penis to about 10 inches.

After more pumping the penis is removed from the tube and the penis is about 11 inches.

Even when the pump is not used the penis "hangs" thicker and longer.

### WHAT MY PENIS VACUUM SYSTEM CAN DO FOR YOU.

Increase penis length and thickness • Stimulate a harder and more powerful erection • Exclusive design helps maintain your erection for as long as you wish without an erection ring (use my Comfort Fit Prolong Ring for extended sex) • Increase confidence, sex drive and sexual performance • Intensify your orgasm

The "original" and the world's largest selling penis vacuum pump. Extra long 10 inch piston assembly.

Exclusive design. One hand operation fits comfortably like a pistol. Pull the trigger and instantly the piston releases the vacuum you need for a longer thicker and harder penis.

### Professional Battery Powered Premium Penis Pump

The Original one hand operation. Press the switch to start and release your finger to stop the motor. You have complete control for continuous or intermittent enlargements.

Important Exclusive Features: The seal can be removed and the clear tube. Other pumps use the motor as a fixed battery attached to the tube and with use and electricity can rust and damage the motor and batteries.

# Melanie

PHOTOGRAPHY BY JOANIE ALLUM

"When I was young, I was such a tomboy, everyone called me Mel. I always played with the boys.

"I wanted to do everything they could do: run, climb trees, play sports and come home covered in mud. I never wore dresses. Just sneakers and jeans. I forgot I was a little girl until I started growing bigger. The boys wouldn't let me play with them anymore. I was so lonely. Then I learned how to play with myself."

**WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO HUMBO-JUMBO!**

The male erection is produced when blood flows into the special **bulbocavernosus** muscles inside the penis shaft. As these muscles fill, the penis **increases in diameter and thickness**. By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in a **DRAMATICALLY LONGER, THICKER ERECTION**. Users of SUPRA-12 say they're "truly astounded" when they see their penises reach startling new proportions inside the chamber of the SUPRA-12. And you will be too!

**THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!**

Getting a huge, fat erection is one thing... keeping it is another! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the **biggest size possible in the shortest amount of time**. Don't be fooled by claims of "more vacuum." Too much can cause medical problems. Every SUPRA-12 pump passes stringent quality control and is tested according to medical standards - no more - no less. And with the SENTRY Prolong Ring, you can stay as hard as you want, for as long as you want. The nearly invisible SENTRY rests comfortably at the base of your penis, maintaining your dynamic "super erection" indefinitely, but never interfering with your pleasure - EVER! You can penetrate your sex partner deeply, enjoying intercourse more than ever before, because the SENTRY **GIVES YOU COMPLETE ERECTION CONTROL!**

**That's Why We Say... THE SUPRA-12 SYSTEM IS AS EASY AS 1-2-3!**

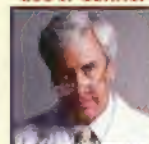

**NO SYSTEM IS FASTER - OR MORE FOOLPROOF!**

It's impossible to fail using the SUPRA-12 SYSTEM to increase your genital measurements. With the help of the SENTRY PROLONG RING and medical research has proven that only a prolong ring can maintain an erection, enlarging your penis and maintaining the new, thick and long dimensions becomes effortless!

**ACKNOWLEDGED SAFE AND EFFECTIVE... AN INCREDIBLE VALUE... 3 MODELS TO CHOOSE FROM!**

According to U.S. News and World Report, Vacuum Pumps and Erection Rings are "simple, safe and effective" (8/24/92). The SUPRA-12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that is an international "Best Deal!" Similar systems, when prescribed by physicians, can cost between \$300 to \$650 or more! That's why the SUPRA-12, with the patented SUPRA Valve and SENTRY Prolong Ring, is such an incredible value!

## HUSTLER

### WET DREAMS

March is monsoon season, and the pages of HUSTLER's next installment are guaranteed to be dripping with nourishment from above. A stogie-sucking cowgirl pulls up her bootstraps and yanks off every everything else; meanwhile, two busty beauties explore their nasties. A castaway blonde entertains herself by tickling her pink with a feather, and a man in black unloads a cream-white helping of man goo on a redhead hottie. Finally, a green-eyed lovely befriends a rigid palm tree while seeking masturbatory refuge in its shade. Increasing inches are forecasted for next month's HUSTLER—rubbers are recommended.

### NATURE'S POWER

The Erotic Market and Fetish Ball in San Francisco is one of the Free World's last bastions of live, penetrative sex. Anyone who doubts the fetishistic fete's magnitude need only slip on the jizz-soaked dance floor to be reminded. A gala of slave auctions, dick-pumping voyeurs, whipping chambers and even a bit of sexual deviance, the Ball is not recommended for the faint of heart. In *The Ball of Balls: Power-Tripping in Erotica Heaven*, HUSTLER correspondent Alex Ocean tastes power in an annual powerhouse of bad taste.

### TROPICAL DEPRESSION

Cigars. Communism. Fifteen-dollar whores. Cuba is truly a land o' plenty, and HUSTLER's exclusive tour of Castro's district exposes an island of poon so impoverished that every labium comes complete with a price tag. In *Cuba Libre: A Sexual Shopping Spree in a Nation of Nubiles*, HUSTLER international correspondent Alain DeWolfe finds out why the best Cubans are tight, light-brown and available for slightly less than a box of Monticristos.

### FIVE-FINGER FORECAST

In better times, getting laid required no more than a club, a cave and a Neanderthal hussy to tote by the 'fro. In this age of chivalry and hair extensions, a slicing of the beef curtains has been elevated to a science. March's *Sex Play* introduces us to scientist James Murdock and his seminar on carnal chemical reactions in "Seduction Junction: A Modern Guide to Primitive Sex" by HUSTLER correspondent Selwyn Harris. Next month's *Bits & Pieces* features sex toys only a dog could love and a new golden hue for Nissan. *Erotic Entertainment* takes a look at a few blasts from the past and up-to-date filth, and *Beaver Hunt*'s finest emerge from hibernation. March's HUSTLER will spring new life into thawing vein sausage.
